

# OCTAGON BARREL BEDDING TOOL - GUNLINE BARREL BEDDING TOOL, 7/8" (22.2MM)

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Cuts Channel To Final Size; Saves Hours Of Hand Work

Rubber mounted, chatter-free cutters, shave out excess wood without "digging in". Leaves barrel channel smooth and ready for barrel, without gouging, rasping or final sanding. A real time and work saver. Cushioned cutter design keeps hardened steel cutter discs at correct angle to remove wood regardless of amount of pressure. A single blade can be secured to handle for final touch-up.

# OCTAGON BARREL BEDDING TOOL GUNLINE BARREL BEDDING TOOL Safety Instructions

## Introduction

Thank you for choosing the OCTAGON BARREL BEDDING TOOL GUNLINE BARREL BEDDING TOOL. This tool is designed to help you achieve a smooth and precise barrel channel for your firearm. To ensure safe and effective use of this product, please read and follow all safety instructions and guidelines provided in this document.

## General Safety Guidelines

- Always read and understand the user manual before operating the tool.
- Ensure that the tool is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage or wear before each use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Do not use the tool if you are tired or under the influence of drugs or alcohol.
- Report any unsafe product incidents or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the work area is clean, welllit, and free from obstructions.
- Always secure the workpiece before using the tool to prevent movement.
- Do not apply excessive force when using the tool; let the cutter do the work.
- Avoid contact with the cutter blades during operation to prevent injury.
- Always use the tool with the handle securely attached.
- Do not modify or alter the tool in any way.
- Store the tool in a safe, dry place when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the bedding tool, handle, and cutters.
- Ensure the work area is clean and organized.

### 2. Assembly:

- Attach the handle to the bedding tool securely.
- Select the appropriate cutter for your project and attach it to the tool.

### 3. Using the Tool:

- Position the tool over the area to be cut, ensuring it is aligned properly.
- Apply light pressure and begin cutting, allowing the tool to remove excess wood smoothly.
- If using a single blade for touchup, ensure it is secured to the handle before proceeding.

### 4. Finishing Up:

- Once the desired depth and smoothness are achieved, remove the tool from the workpiece.
- Clean the tool and remove any wood shavings or debris.

## **Disposal Instructions**

- Dispose of the tool and any packaging materials in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling the tool if it is no longer usable.

## **Contact Information for Further Support**

For any inquiries regarding the safety or use of the OCTAGON BARREL BEDDING TOOL GUNLINE BARREL BEDDING TOOL, please refer to the manufacturer's guidelines or contact the manufacturer's customer support.

By following these instructions and safety guidelines, you can ensure a safe and effective experience with the OCTAGON BARREL BEDDING TOOL GUNLINE BARREL BEDDING TOOL. Thank you for your attention to safety and proper usage.
