

# OCTAGON BARREL BEDDING TOOL - GUNLINE REPLACEMENT CUTTERS, 7/8" (22.2MM)

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Cuts Channel To Final Size; Saves Hours Of Hand Work

Rubber mounted, chatter-free cutters, shave out excess wood without "digging in". Leaves barrel channel smooth and ready for barrel, without gouging, rasping or final sanding. A real time and work saver. Cushioned cutter design keeps hardened steel cutter discs at correct angle to remove wood regardless of amount of pressure. A single blade can be secured to handle for final touch-up.

# Safety Instruction Guide for OCTAGON BARREL BEDDING TOOL GUNLINE REPLACEMENT CUTTERS, 7/8" (22.2MM)

## Introduction

Thank you for choosing the OCTAGON BARREL BEDDING TOOL GUNLINE REPLACEMENT CUTTERS. This guide provides essential safety instructions and operational guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the tool.

## General Safety Guidelines

- Always read and understand the instructions before using the tool.
- Ensure that the work area is clean and free from hazards.
- Keep the tool out of reach of children and unauthorized users.
- Use the tool only for its intended purpose as described in this manual.
- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, during use.
- Inspect the tool and its components for damage before each use. Do not use if damaged.
- Store the tool in a dry, safe place when not in use.

## Specific Safety Precautions for Use

- Ensure that the cutter is securely attached to the handle before use.
- Do not apply excessive force while using the tool; let the cutter do the work.
- Avoid using the tool in wet or damp conditions to prevent slipping.
- Keep hands and fingers away from the cutting area during operation.
- Do not attempt to modify or alter the tool in any way.
- If you experience any discomfort or pain while using the tool, stop immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

#### 1. Assemble the Tool:

- Attach the handle to the bedding tool body securely.
- Choose the appropriate cutter for your project and attach it to the tool.
- Ensure that screws and pins are tightened and secure.

### Usage

#### 1. Preparation:

- Mark the areas on the barrel channel where material needs to be removed.
- Ensure that the workpiece is secured and stable.

#### 2. Cutting Process:

- Hold the tool firmly with both hands.
- Position the cutter at the marked area and apply gentle pressure.
- Move the tool smoothly and steadily to remove excess wood without gouging.
- For final touchups, use a single blade for precision work.

### 3. PostUse:

- Clean the tool thoroughly after use to prevent residue buildup.
- Inspect the cutters for wear and replace as necessary.

## Disposal Instructions

- Dispose of the tool and any broken or worn components in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling options for materials where possible.

## Contact Information for Further Support

For any questions or safety inquiries regarding the OCTAGON BARREL BEDDING TOOL GUNLINE REPLACEMENT CUTTERS, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience while using the OCTAGON BARREL BEDDING TOOL GUNLINE REPLACEMENT CUTTERS. Always prioritize safety and adhere to the guidelines provided.
