

# OCTAGON BARREL BEDDING TOOL - GUNLINE REPLACEMENT CUTTERS, 1" (2.5CM)

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Cuts Channel To Final Size; Saves Hours Of Hand Work

Rubber mounted, chatter-free cutters, shave out excess wood without "digging in". Leaves barrel channel smooth and ready for barrel, without gouging, rasping or final sanding. A real time and work saver. Cushioned cutter design keeps hardened steel cutter discs at correct angle to remove wood regardless of amount of pressure. A single blade can be secured to handle for final touch-up.

# OCTAGON BARREL BEDDING TOOL GUNLINE REPLACEMENT CUTTERS Safety Instruction Guide

## Introduction

Thank you for choosing the OCTAGON BARREL BEDDING TOOL GUNLINE REPLACEMENT CUTTERS. This product is designed to help you efficiently and safely remove excess wood from barrel channels, ensuring a smooth finish without damaging the material. This safety instruction guide provides essential information to ensure the safe use of the tool, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the tool.
- Ensure that the tool is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for wear and damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves.
- Store the tool in a dry, secure location when not in use.
- Be aware of your surroundings and ensure a clear workspace to avoid accidents.

## Specific Safety Precautions for Use

- *Hazard Identification:*
  - Risk of injury from sharp cutter blades.
  - Potential for splinters or wood debris during operation.
  - Risk of tool malfunction if not properly maintained.
- *Instructions to Avoid Hazards:*
  - Always handle the tool with care, keeping fingers away from the cutter blades.
  - Ensure the tool is securely attached to the handle before use.
  - Do not apply excessive pressure while using the tool; let the cutter do the work.
  - Avoid using the tool in wet or humid conditions.
  - If the tool feels loose or unstable during use, stop immediately and inspect it.
- *Age or Audience Specific Warnings:*
  - This tool is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the tool is clean and free from debris.
- Attach the desired cutter securely to the handle.
- Confirm that all screws and pins are tightened and in place.

### 2. Usage:

- Position the tool at the start of the barrel channel.
- Apply light pressure to begin cutting; avoid forcing the tool.
- Move the tool smoothly along the channel, allowing the cutter to remove wood evenly.

- Periodically check the cutter for wear and replace if necessary.

### **3. After Use:**

- Clean the tool thoroughly to remove wood shavings and debris.
- Store the tool in a safe location, away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of the tool in accordance with local regulations.
- If the tool is damaged beyond repair, ensure that it is rendered unusable before disposal.
- Recycle components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For questions or concerns regarding the safety and use of the OCTAGON BARREL BEDDING TOOL GUNLINE REPLACEMENT CUTTERS, please contact your local distributor or refer to the product packaging for further assistance.

By following these safety instructions, you can ensure a safe and effective experience with your OCTAGON BARREL BEDDING TOOL GUNLINE REPLACEMENT CUTTERS. Always prioritize safety, and do not hesitate to seek assistance if needed.
