HANDLES GUNLINE H1 HANDLE Safety Instruction Guide

Introduction

Thank you for purchasing the HANDLES GUNLINE H1 HANDLE. This guide provides important safety instructions to ensure the safe use of this product. Please read and follow these instructions carefully to avoid potential hazards.

General Safety Guidelines

- Always inspect the handle for any damage before use. Do not use if damaged.
- Use the handle only for its intended purpose as described in this guide.
- Keep the handle out of reach of children and vulnerable individuals.
- Store the handle in a dry place when not in use to prevent deterioration.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the handle is securely attached before use to prevent accidents.
- Do not apply excessive force when using the handle to avoid breakage.
- Be cautious of sharp edges during handling, particularly with the H3 model.
- If using the H1 handle, maintain a proper grip to ensure stability and control.
- Avoid using the handle in wet or slippery conditions to reduce the risk of slipping.

Instructions for Installation and Usage

1. Installation

- Ensure the work surface is stable and clean.
- Align the handle with the intended attachment point.
- Securely fasten the handle using appropriate tools, ensuring it is tight and stable.

2. Usage

- Hold the handle firmly with both hands.
- Use smooth and controlled movements while operating.
- Avoid using the handle in a way that could cause strain or injury.

Disposal Instructions

- Dispose of the handle in accordance with local regulations.
- If the handle is no longer usable, consider recycling it if possible.
- Do not dispose of the handle in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the HANDLES GUNLINE H1 HANDLE, please refer to your retailer or the manufacturer's website for further assistance.
