

CHECKERING GAUGE AND RULER - GUNLINE CHECKER'S RULE

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Hand Checkering Tools](#) > [Checkering Sets](#)

Gunline Checker Gauge Ruler The Gunline Checker Gauge Ruler is an essential tool for precision checkering on firearm stocks. Whether you're a seasoned gunsmith or a hobbyist, this ruler ensures accurate measurements and consistent patterns. Features: Accurate Measurements: The ruler provides markings for various checkering patterns, including lines per inch and diamonds per inch. Durable Construction: Crafted from high-quality materials (typically steel), it withstands regular use. Easy to Use: Simply place the ruler on the checkered surface to verify pattern dimensions. Versatile: Suitable for both beginners and experienced checkering enthusiasts. How to Use: Align the ruler with the checkering lines. Check the spacing and ensure uniformity. Adjust your work as needed based on the ruler's measurements. Remember, precise checkering enhances the aesthetics and grip of firearm stocks. Get your Gunline Checker Gauge Ruler today and elevate your checkering game!

Safety Instruction Guide for Gunline Checker Gauge Ruler

Introduction

Thank you for choosing the Gunline Checker Gauge Ruler. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before use to understand how to operate the ruler safely.

General Safety Guidelines

- Always use the Gunline Checker Gauge Ruler in accordance with the instructions provided in this guide.
- Store the ruler in a safe place when not in use to prevent accidents.
- Keep the ruler out of reach of children and pets to avoid any potential injuries.
- Inspect the ruler before each use for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the surface on which you are working is stable and secure.
- Avoid using excessive force when placing the ruler on the checkered surface to prevent slipping.
- Do not use the ruler for purposes other than intended checkering measurements.
- If you are new to checkering, consider seeking guidance from an experienced user or professional.
- Always wear appropriate safety gear, such as gloves and eye protection, while working with tools.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for your checkering project.
- Ensure that your workspace is clean and free of clutter.

2. Aligning the Ruler:

- Place the Gunline Checker Gauge Ruler on the checkered surface.
- Align the ruler with the checkering lines to ensure accurate measurements.

3. Checking Spacing:

- Verify the spacing between checkering lines using the ruler's markings.
- Ensure that the dimensions are uniform across the surface.

4. Adjusting Your Work:

- Make adjustments to your checkering as needed based on the ruler's measurements.
- Take your time to ensure precision for the best results.

5. Completion:

- Once you have completed your work, carefully remove the ruler from the surface.
- Store the ruler in a safe place for future use.

Disposal Instructions

- Dispose of the Gunline Checker Gauge Ruler in accordance with local regulations.
- If the ruler is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any safety inquiries or further support regarding the Gunline Checker Gauge Ruler, please refer to the contact information provided with your product packaging or visit the official website.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience while using your Gunline Checker Gauge Ruler.
