NO. VEDGER REPLACEMENT CUTTER GUNLINE

VEDGER 90° Safety Instructions

Introduction

Thank you for choosing the NO. VEDGER REPLACEMENT CUTTER from GUNLINE. This singleedge tool is designed to score the outline and guide lines of the checkering pattern, deepen the checkering, and finish the outline. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Use appropriate personal protective equipment (PPE) such as gloves and safety goggles.
- Avoid using the tool in wet or damp conditions to prevent slipping.
- Store the tool in a dry, secure location when not in use.

Specific Safety Precautions for Use

- Ensure that the work surface is stable and secure before using the tool.
- Hold the tool firmly with both hands while in use to maintain control.
- Do not apply excessive force when scoring or cutting; let the tool do the work.
- Avoid distractions and focus on the task at hand to prevent accidents.
- If the tool becomes stuck, stop using it and carefully assess the situation before proceeding.
- Do not modify the tool in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary materials and tools before starting.
- Ensure that the work area is clean and free from obstructions.

2. Using the NO. VEDGER

- Hold the VEDGER with the blade facing downwards and the handle securely in your grip.
- Position the blade at the starting point of your checkering pattern.
- Apply gentle pressure to score the outline, following your desired pattern.
- To deepen the checkering, repeat the scoring process as needed, ensuring that each pass is controlled and steady.
- Finish the outline by carefully guiding the blade along the edges without forcing it.

3. PostUse Care

- Clean the tool after each use to remove any debris or residue.
- Inspect the blade for dullness or damage; replace if necessary.
- Store the tool in its designated location, ensuring it is protected from moisture and impact.

Disposal Instructions

- Dispose of the tool in accordance with local regulations regarding nonhazardous materials.
- If the tool is damaged beyond repair, ensure that the blade is safely disposed of to prevent injury.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure a safe and effective experience with the NO. VEDGER REPLACEMENT CUTTER. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these important safety guidelines.
