NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER by GUNLINE. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document thoroughly before using the cutter.

General Safety Guidelines

- Always use the cutter in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and welllit to prevent accidents.
- Keep the cutter out of reach of children and vulnerable individuals.
- Inspect the cutter before each use for any signs of damage or wear.
- Store the cutter in a safe place when not in use, preferably in a protective case.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, to protect against potential injuries.
- Avoid using the cutter on materials that it is not designed for, as this may lead to accidents or damage.
- Do not apply excessive force while using the cutter; let the tool do the work.
- Ensure that your hands are dry and free from any oils or substances that may cause slippage.
- Always cut away from your body and keep your hands clear of the cutting path.
- If the cutter becomes jammed, turn it off and unplug it before attempting to clear the jam.

Instructions for Installation and Usage

1. Installation:

- Ensure the cutter is compatible with your tool setup.
- Follow the manufacturer's guidelines for installation, ensuring all components are securely attached.
- Check that the cutter is properly aligned before use.

2. Usage:

- Select the appropriate angle (60° or 90°) and finish (Medium or Fine) based on your project requirements.
- Position the cutter at the desired angle and apply gentle pressure to begin cutting.
- Maintain a steady hand and consistent speed for best results.
- After use, clean the cutter to remove any debris or residue.

Disposal Instructions

- Dispose of the cutter according to local regulations for hazardous waste.
- If the cutter is damaged beyond repair, ensure it is disposed of safely to prevent injuries.
- Recycle any recyclable materials according to local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER, please refer to your local regulations or contact your retailer for assistance.
