# **NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER GUNLINE PL90F POINTER Safety Instructions**

## **Introduction**

Thank you for choosing the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this manual carefully before using the cutter to ensure your safety and the safety of others.

## **General Safety Guidelines**

- Always use the cutter in accordance with the manufacturer's instructions.
- Keep the cutter out of reach of children and vulnerable individuals.
- Inspect the cutter before each use for any signs of damage or wear.
- Ensure that the working area is clean, dry, and free from any obstructions.
- Use appropriate personal protective equipment (PPE) such as safety goggles and gloves when operating the cutter.
- Do not use the cutter for any purpose other than its intended use.
- If you notice any unusual behavior or performance from the cutter, stop using it immediately and seek assistance.

## **Specific Safety Precautions for Use**

- Ensure that the cutter is properly secured and stable before starting any work.
- Avoid placing your fingers near the cutting area to prevent injuries.
- Do not apply excessive force when using the cutter; let the tool do the work.
- Always cut away from your body to minimize the risk of injury.
- If the cutter becomes stuck, turn it off and disconnect it before attempting to remove the blockage.
- Do not use the cutter in wet or humid conditions to prevent electrical hazards.
- Be mindful of your surroundings and ensure that no one is in close proximity while you are using the cutter.

## **Instructions for Installation and Usage**

### **1. Unpacking the Cutter:**

- Carefully remove the cutter from its packaging.
- Inspect the cutter for any visible damage or missing parts.

### **2. Setting Up the Cutter:**

- Place the cutter on a stable, flat surface.
- Ensure that the cutter is securely positioned and will not move during use.

### **3. Using the Cutter:**

- Select the appropriate angle (60° or 90°) based on your project requirements.
- Hold the cutter firmly with one hand while guiding it with the other.
- Start the cutter and allow it to reach full speed before making contact with the material.
- Move the cutter smoothly along the desired path, applying light pressure.

#### **4. PostUse Care:**

- Turn off the cutter and unplug it from the power source after use.
- Clean the cutter to remove any debris or residue.
- Store the cutter in a safe and dry location, away from children.

## **Disposal Instructions**

- Dispose of the cutter in accordance with local regulations.
- Do not dispose of the cutter in regular household waste.
- If the cutter is no longer usable, consider recycling parts where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER, please refer to the manufacturer's customer support or the contact information provided on the product packaging.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience while using the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER. Always prioritize safety and do not hesitate to reach out for assistance if needed. Thank you for your attention to these important safety measures.
