# **Safety Instruction Guide for NO. BVN & BVW BORDERVEX REPLACEMENT CUTTER GUNLINE BVN BORDER VEX**

## **Introduction**

Thank you for choosing the NO. BVN & BVW BORDERVEX REPLACEMENT CUTTER. This product is designed to cut a convex border around patterns, providing a clean finish while erasing overruns. It is essential to use this product safely and correctly to ensure optimal performance and to prevent any accidents or injuries.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Always read and understand the instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use appropriate personal protective equipment (PPE), such as gloves and safety goggles, during operation.
- Ensure the working area is clean, dry, and welllit to avoid slips or accidents.
- Do not use the cutter if it is damaged or malfunctioning.
- Keep hands and fingers away from the cutting edge during operation.
- Do not force the cutter; if it becomes stuck, stop and assess the situation.
- Store the cutter in a safe place when not in use to prevent accidental injury.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Unbox the NO. BVN & BVW BORDERVEX REPLACEMENT CUTTER.
- Inspect the cutter for any visible damage or defects.

### **2. Installation:**

- Follow the manufacturer's guidelines to install the cutter securely.
- Ensure that the cutter is firmly attached and that there are no loose parts.

### **3. Usage:**

- Position the material you wish to cut on a stable surface.
- Align the cutter with the desired cutting line and ensure it is steady.
- Apply even pressure while cutting to achieve a smooth border.
- After cutting, carefully remove the cutter and inspect the finished edge.

### **4. PostUsage Care:**

- Clean the cutter after each use to maintain its performance.
- Store the cutter in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the cutter in regular waste; consider recycling options where available.
- Ensure that the cutter is rendered unusable before disposal to prevent accidents.

## Contact Information for Further Support

For any inquiries or concerns regarding safety, usage, or maintenance of the NO. BVN & BVW BORDERVEX REPLACEMENT CUTTER, please refer to the manufacturer's contact information provided in the product packaging or documentation.

By following these guidelines, you can ensure a safe and effective experience with your NO. BVN & BVW BORDERVEX REPLACEMENT CUTTER. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
