# NO. BCN BORDERCONCAVE REPLACEMENT CUTTER GUNLINE BCN BORDER CONCAVE Safety Instruction Guide

## Introduction

Thank you for choosing the NO. BCN BORDERCONCAVE REPLACEMENT CUTTER. This product is designed to cut a concave groove as a border, erase overruns, and save time during your projects. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the cutter out of reach of children and vulnerable individuals.
- Inspect the cutter regularly for any signs of damage or wear before use.
- Do not use the cutter for any purpose other than intended.
- Ensure your work area is clean and free of obstructions.
- Use appropriate personal protective equipment (PPE), such as gloves and safety goggles, while operating the cutter.
- Be aware of your surroundings and ensure that others are at a safe distance while using the cutter.

## Specific Safety Precautions for Use

- Handle the cutter with care to avoid accidental cuts or injuries.
- Always cut away from your body to minimize the risk of injury.
- Do not force the cutter through material; allow it to do the work.
- If the cutter becomes stuck, turn it off and carefully remove the material before continuing.
- Store the cutter in a safe place when not in use to prevent accidents.
- Avoid using the cutter in wet or damp conditions to prevent electrical hazards.

## Instructions for Installation and Usage

### 1. Unpacking the Cutter

- Carefully remove the cutter from its packaging.
- Inspect the cutter for any visible damage or defects.

### 2. Preparing for Use

- Ensure that your work surface is stable and secure.
- Gather any additional tools or materials you may need for your project.

### 3. Using the Cutter

- Hold the cutter firmly with both hands for better control.
- Position the cutter at the desired starting point on the material.
- Apply even pressure and guide the cutter along the intended path.
- If you need to adjust your position, stop the cutter first before moving.

### 4. After Use

- Clean the cutter after each use to maintain its performance.

- Store the cutter in a dry and safe location, away from children and pets.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling guidelines.
- When the cutter reaches the end of its life, dispose of it responsibly by following local waste disposal regulations.
- Do not dispose of the cutter in regular household waste if it contains electronic components.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the NO. BCN BORDERCONCAVE REPLACEMENT CUTTER, please contact the manufacturer directly. Ensure you have the product details on hand for reference.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the NO. BCN BORDERCONCAVE REPLACEMENT CUTTER. Always prioritize safety and reach out for assistance if needed. Thank you for your attention to these important guidelines.
