NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS GUNLINE 16 LPI Safety Instruction Guide

Introduction

Thank you for choosing the NO. S2 TwoEdge Spacer Replacement Cutters by GUNLINE. This product is designed to provide precision and efficiency in checkering applications. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide. Your safety is our priority.

General Safety Guidelines

- Always handle the cutters with care to avoid injury.
- Ensure that the workspace is clean and free from clutter before use.
- Keep the cutters out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety goggles and gloves when operating the cutters.
- Be aware of your surroundings and ensure that no one is in close proximity while using the cutters.
- Do not use the cutters for any purpose other than intended.

Specific Safety Precautions for Use

- Inspect the cutters before each use for any signs of damage or wear.
- Ensure that the cutters are securely attached to the tool before operation.
- Do not apply excessive force while cutting; let the tool do the work.
- Avoid cutting materials that are too hard or dense for the cutter's specifications.
- If the cutter becomes jammed, turn off the tool and safely remove the cutter.
- Do not attempt to modify the cutter in any way.

Instructions for Installation and Usage

Installation

1. Ensure that the tool is powered off and unplugged.
2. Remove the old cutter if applicable.
3. Align the new NO. S2 cutter with the tool's attachment point.
4. Securely fasten the cutter according to the manufacturer's instructions.
5. Doublecheck that the cutter is properly installed before powering on the tool.

Usage

1. Prepare your work area by ensuring it is welllit and organized.
2. Wear appropriate PPE, including safety goggles and gloves.
3. Power on the tool and allow it to reach full speed before beginning to cut.
4. Position the cutter at the desired angle and apply light, even pressure.
5. Move the cutter steadily along the material, allowing it to cut without forcing it.
6. After completing the cut, power off the tool and carefully remove the cutter.

Disposal Instructions

- Dispose of the cutters in accordance with local regulations for hazardous waste.
- Do not dispose of the cutters in regular household waste.
- If the cutters are damaged or worn out, consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or support related to the NO. S2 TwoEdge Spacer Replacement Cutters, please contact your local GUNLINE representative or consult the official GUNLINE website for more information.

By following these guidelines and instructions, you can ensure a safe and effective experience with your NO. S2 TwoEdge Spacer Replacement Cutters. Thank you for prioritizing safety!
