# NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS GUNLINE 18 LPI Safety Instructions

## Introduction

Thank you for choosing the NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS by GUNLINE. This product is designed to enhance your checkering projects by providing precision cutting capabilities. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use the product only for its intended purpose as specified by the manufacturer.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, to protect against potential injuries.
- Ensure that your work area is clean and welllit to avoid accidents.
- Do not apply excessive force while using the cutters to prevent breakage or injury.
- Always cut away from your body to minimize the risk of injury.
- Do not use the cutters for any purpose other than cutting grooves as intended.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the work surface is stable and secure.

### 2. Installation:

- Follow the manufacturer's guidelines for attaching the cutters to your tool.
- Ensure that the cutters are securely fastened before use.

### 3. Usage:

- Position the cutter at a 60° angle to the surface you are working on.
- Begin cutting by applying gentle pressure to create a new groove with one edge while the second edge rides in the existing groove.
- Maintain a steady hand and consistent pressure throughout the cutting process.

### 4. PostUse:

- Clean the cutters after use to remove any debris or residue.
- Store the product in a safe place, away from children and pets.

## Disposal Instructions

- Dispose of any unusable or damaged cutters in accordance with local regulations.

- Recycle materials where possible, ensuring to separate any recyclable components.

## **Contact Information for Further Support**
