# NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS GUNLINE 22 LPI Safety Instructions

## Introduction

Thank you for choosing the NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS by GUNLINE. This product is designed for precise cutting and checkering applications. To ensure your safety and the safe use of this product, please read this manual carefully before use.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before each use. Do not use if damaged.
- Ensure a clean and organized workspace to avoid accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the product.
- Be aware of your surroundings and ensure that no one is in the vicinity when using the cutters.

## Specific Safety Precautions for Use

- Use the cutters only for their intended purpose as described in this manual.
- Avoid applying excessive force while cutting to prevent tool breakage and personal injury.
- Always cut away from your body to minimize the risk of injury.
- Do not attempt to modify or alter the cutters in any way.
- Store the cutters in a safe place when not in use to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the cutter is compatible with your checkering tool or setup.
- Follow the manufacturer's guidelines for attaching the cutter to your tool securely.
- Check that the cutter is firmly in place before use to avoid accidents.

### 2. Usage:

- Position the cutter at a 60° angle to the surface you are working on.
- Start cutting by applying gentle, even pressure while moving the cutter along the desired path.
- If the cutter becomes dull or ineffective, replace it immediately to maintain safety and efficiency.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or contains sharp edges.
- Consider recycling options for metal components where applicable.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS, please refer to the manufacturer's contact information included with your product packaging or visit the official website.

## Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and effective experience with the NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS. Always prioritize safety and reach out for assistance when needed. Thank you for being a responsible user.
