# Safety Instruction Guide for NO. S2 TwoEdge Spacer Replacement Cutters

## Introduction

Thank you for choosing the NO. S2 TwoEdge Spacer Replacement Cutters by GUNLINE. This guide provides essential safety instructions and guidelines for the safe use of this product. Please read this manual carefully before using the cutters to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always keep the cutters out of reach of children and vulnerable individuals.
- Inspect the cutters before each use for any signs of damage or wear.
- Use personal protective equipment (PPE) such as gloves and safety glasses while operating the cutters.
- Store the cutters in a dry and secure place when not in use.
- Report any unsafe products or incidents to local authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Cutting Surface:** Always use the cutters on a stable and secure surface to prevent slipping.
- **Grip:** Maintain a firm grip on the cutters while in use to avoid accidents.
- **Cutting Angle:** Ensure the cutters are positioned at the correct angle (60°) for effective operation.
- **Avoid Distractions:** Do not operate the cutters while distracted or under the influence of substances that impair judgment.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of an accident.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all necessary tools and protective equipment ready.
- Review the product specifications and ensure compatibility with your project.

### 2. Installation:

- Remove the cutters from the packaging carefully.
- Inspect the cutters for any defects or damage.
- If applicable, follow the manufacturer's instructions for attaching the cutters to your tool.

### 3. Usage:

- Position the cutters at the desired location on the material.
- Apply even pressure while cutting to maintain control.
- If the cutters become dull or damaged, replace them immediately.

### 4. PostUse Care:

- Clean the cutters after each use to remove debris and prevent corrosion.
- Store the cutters in their protective case or a safe location to avoid damage.

## **Disposal Instructions**

- Dispose of the cutters in accordance with local regulations.
- Do not throw the cutters in regular household waste if they are damaged or contain hazardous materials.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the NO. S2 TwoEdge Spacer Replacement Cutters, please refer to the contact information provided on the product packaging or visit the manufacturer's website for support.

Thank you for following these safety guidelines. Your safety is our priority!
