Safety Instruction Guide for NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS GUNLINE 28 LPI

Introduction

Thank you for choosing the NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS from GUNLINE. This product is designed to provide precise cutting for checkering applications. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Do not use the product if it is damaged or malfunctioning.
- Follow all local regulations regarding the use and disposal of tools and cutting equipment.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- The cutters are sharp; handle them with care to avoid cuts and injuries.
- Always cut away from your body and keep your hands clear of the cutting path.
- Use the appropriate cutting technique to prevent slipping or binding.
- Ensure that the workpiece is securely clamped or held in place before cutting.
- Do not attempt to modify or alter the product in any way.
- Store the product in a safe and dry location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the tool is disconnected from any power source before installation.
- Carefully remove the old cutter and replace it with the new NO. S2 cutter.
- Secure the cutter according to the manufacturer's specifications to ensure stability during use.

2. Usage:

- Before use, inspect the cutter for any damage.
- Set the cutter to the desired angle (60°) for optimal performance.
- Begin cutting by positioning the cutter in the groove, ensuring the second edge rides in the previously cut groove.
- Maintain a steady pressure and control while cutting to achieve a clean groove.
- After completing the cutting task, clean the cutter to remove any debris or residue.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged.
- Consider recycling options for the materials used in the product if available.

Contact Information for Further Support

For any questions or concerns regarding the NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safer and more effective experience with your NO. S2 TWOEDGE SPACER REPLACEMENT CUTTERS. Thank you for prioritizing safety!
