# NO. KL & KR SKIP CHECK REPLACEMENT CUTTERS GUNLINE 20 LPI Safety Instructions

## Introduction

Thank you for choosing the NO. KL & KR Skip Check Replacement Cutters by GUNLINE. These cutters are designed for precision in checkering applications. It is important to follow safety guidelines to ensure safe and effective use. This guide provides essential safety instructions and precautions to protect you and others while using this product.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Use the cutters only for their intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the cutters for any damage or wear before each use.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Store the product in a dry, secure location when not in use.
- Report any unsafe conditions or product defects to the manufacturer.

## Specific Safety Precautions for Use

- Ensure that the work area is clean and free from clutter to avoid accidents.
- Maintain a stable working position while using the cutters to prevent slips or falls.
- Always cut away from your body to minimize the risk of injury.
- Do not force the cutters; apply steady, controlled pressure.
- If you experience any difficulty while using the cutters, stop and reassess your technique.
- Avoid distractions while using the product to maintain focus and control.
- In case of injury, seek medical attention immediately.

## Instructions for Installation and Usage

### • Installation:

1. Ensure the cutter is compatible with your checkering tool.
2. Follow the manufacturer's instructions for installing the cutter securely.
3. Verify that the cutter is properly aligned before use.

### • Usage:

1. Position the workpiece securely on a stable surface.
2. Hold the checkering tool firmly with both hands.
3. Begin cutting with a gentle, consistent motion.
4. Regularly check the cutter for sharpness and replace if necessary.
5. After use, clean the cutter to remove any debris or residue.

## Disposal Instructions

- Dispose of used cutters in accordance with local regulations.
- Do not dispose of the product in household waste; check for recycling options.
- Ensure that the product is safely discarded to prevent accidental injury to others.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and product information, please refer to the manufacturer's contact details provided with the product.

By following these guidelines and instructions, you can ensure a safe and effective experience with the NO. KL & KR Skip Check Replacement Cutters. Thank you for prioritizing safety in your projects.
