Safety Instruction Guide for NO. KL & KR SKIP CHECK REPLACEMENT CUTTERS GUNLINE 22 LPI

Introduction

Thank you for choosing the NO. KL & KR Skip Check Replacement Cutters by GUNLINE. These cutters are designed for precision in checkering applications. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use to ensure it is in good condition.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the cutters.
- Ensure that your work area is clean and free from clutter to prevent accidents.
- Use the cutters on a stable surface to maintain control during use.
- Do not apply excessive force when using the cutters; let the tool do the work.
- Always cut away from your body to avoid injury.
- If you experience any discomfort or unusual sensations while using the product, stop use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that the cutters are compatible with your checkering tool.
- Follow the manufacturer's guidelines for installing the cutters securely.
- Check that the cutters are properly secured before use.

2. Usage:

- Select the appropriate cutter (KL for left teeth or KR for right teeth) based on your project needs.
- Adjust the angle to 60° as specified for optimal performance.
- Begin cutting with light pressure, gradually increasing as needed.
- Regularly check the cutter for wear and replace if necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the cutters in regular household waste if they are damaged or worn.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of this product, please refer to the manufacturer's contact information, which should be available on the packaging or the product website.

Thank you for prioritizing safety while using the NO. KL & KR Skip Check Replacement Cutters. Your adherence to these guidelines helps ensure a safe and effective experience.
