# Safety Instruction Guide for NO. KL & KR SKIP CHECK REPLACEMENT CUTTERS GUNLINE 18 LPI

## Introduction

Thank you for choosing the NO. KL & KR Skip Check Replacement Cutters from GUNLINE. This guide provides essential safety instructions and usage guidelines to ensure safe operation of the product. Please read this document carefully before using the cutters.

## General Safety Guidelines

- Always use the cutters in accordance with the manufacturer's instructions.
- Keep the cutters out of reach of children and vulnerable individuals.
- Inspect the cutters for any damage or wear before each use.
- Do not use the cutters for any purpose other than intended.
- Ensure proper personal protective equipment (PPE) is worn, such as gloves and safety goggles.
- Be aware of your surroundings when using the cutters to avoid accidents.
- If you encounter any issues or suspect the product is unsafe, cease use immediately and report the issue.

## Specific Safety Precautions for Use

- Ensure the work area is clean and welllit to prevent slips and accidents.
- Always cut away from your body to minimize the risk of injury.
- Do not force the cutters; use only as directed to avoid damage.
- Be cautious of sharp edges and points on the cutters.
- Avoid distractions while using the cutters to maintain focus.
- If you feel fatigued or unwell, do not use the cutters.
- Store the cutters in a safe location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the work surface is stable and secure.
- Attach the cutters to the appropriate tool or holder as per the manufacturer's specifications.
- Confirm that the cutters are firmly secured before use.

### 2. Usage:

- Hold the tool with the cutters securely and maintain a firm grip.
- Align the cutters with the material to be cut, ensuring stability.
- Apply even pressure while cutting to achieve clean results.
- If the cutters become dull or damaged, replace them immediately to maintain efficiency and safety.

## Disposal Instructions

- Dispose of used or damaged cutters in accordance with local regulations.
- Recycle materials where possible to minimize environmental impact.
- Ensure that any sharp edges are covered or contained during disposal to prevent injury.

## **Contact Information for Further Support**
