NO. KL & KR SKIP CHECK REPLACEMENT CUTTERS GUNLINE 24 LPI Safety Instructions

Introduction

Thank you for choosing the NO. KL & KR Skip Check Replacement Cutters by GUNLINE. This guide provides important safety information to ensure the safe and effective use of this product. Please read this manual carefully before using the cutters.

General Safety Guidelines

- Ensure that the cutters are used only as intended.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the cutters.
- Keep the workspace clean and organized to prevent accidents.
- Store the cutters in a safe place, out of reach of children and pets.
- Regularly inspect the cutters for any signs of damage or wear before use.
- If you notice any defects or irregularities, do not use the cutters and contact a qualified professional for advice.

Specific Safety Precautions for Use

- The cutters are designed for use on checkering projects. Do not use them for any other purpose.
- Always ensure that the material being cut is securely clamped or held in place to prevent movement while cutting.
- Use the cutters at the recommended angle of 60° to achieve optimal performance and safety.
- Do not apply excessive force while using the cutters; allow the tool to do the work.
- Keep hands and fingers away from the cutting area at all times.
- If you are inexperienced with using cutters, consider seeking guidance from a qualified individual before use.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have the correct size (24 LPI) cutters for your project.
- Insert the cutters into the appropriate tool or holder as per the manufacturer's instructions.
- Secure the cutters firmly to prevent any movement during use.

2. Usage:

- Position the material securely on a stable surface.
- Hold the tool with both hands for better control.
- Start cutting at one end of the material and move steadily along the intended line.
- After completing the cut, carefully remove the material from the workspace.

Disposal Instructions

- Dispose of any damaged or worn cutters in accordance with local regulations.
- Do not dispose of the cutters in regular household waste. Instead, take them to a designated recycling or hazardous waste facility if applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the NO. KL & KR Skip Check Replacement Cutters, please contact your local distributor or visit the manufacturer's website for more information.

By following these safety instructions, you can help ensure a safe and effective experience with your NO. KL & KR Skip Check Replacement Cutters. Thank you for your attention to safety.
