NO. SE THREEEDGE SPACER REPLACEMENT CUTTERS GUNLINE 18 LPI Safety Instruction Guide

Introduction

Thank you for choosing the NO. SE THREEEDGE SPACER REPLACEMENT CUTTERS by GUNLINE. This product is designed for precision cutting in various applications. To ensure your safety and the effective use of this tool, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the product for any purpose other than its intended use.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.
- Regularly check for updates on product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the cutting area is clear of obstructions and that you have a stable surface to work on.
- Always cut away from your body to prevent injury.
- Do not apply excessive force when cutting; let the tool do the work.
- If the cutter becomes stuck, stop using it immediately and assess the situation before attempting to free it.
- Do not modify the cutter in any way, as this may compromise its safety and effectiveness.
- Use only with compatible materials; avoid cutting hard or brittle materials that may cause the cutter to break.
- Store the cutter in a safe, dry place away from moisture and extreme temperatures.

Instructions for Installation and Usage

1. Installation:

- Ensure the workspace is clean and welllit.
- Secure the cutter in a stable position before use.
- If applicable, follow the specific installation instructions provided with the cutter.

2. Usage:

- Hold the cutter firmly with both hands.
- Position the cutter at a 60degree angle relative to the material you are cutting.
- Begin cutting in either a right or left direction, following the last two rows cut.
- Maintain a steady pace and avoid rushing the cutting process.
- After use, clean the cutter to remove any debris and store it safely.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste.
- If the cutter is damaged or no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For any safety inquiries or additional support related to this product, please refer to the EUbased contact point provided with your purchase.

By following these safety instructions, you can ensure a safer experience while using the NO. SE THREEEDGE SPACER REPLACEMENT CUTTERS. Thank you for your attention to these important safety guidelines.
