# NO. SE THREEEDGE SPACER REPLACEMENT CUTTERS GUNLINE 20 LPI Safety Instruction Guide

## Introduction

Thank you for choosing the NO. SE THREEEDGE SPACER REPLACEMENT CUTTERS by GUNLINE. This product is designed to provide efficient and safe cutting for your checkering projects. To ensure your safety and the proper use of this tool, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the product as intended and in accordance with the instructions provided.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for damage or wear before use.
- If the tool is damaged, do not use it and contact customer support for guidance.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as safety goggles and gloves to protect against sharp edges.
- Ensure that your hands are dry and free from oils or substances that may cause slippage while handling the tool.
- Always cut away from your body to prevent injury.
- Do not attempt to modify or alter the tool in any way.
- Be cautious of the cutting direction; the tool can cut in either right or left direction.
- Maintain a firm grip on the tool while in use to ensure control and precision.

## Instructions for Installation and Usage

### 1. Preparation

- Before using the cutter, ensure you have a stable work surface.
- Gather any additional tools or materials you may need for your project.

### 2. Installation

- Align the cutter with the desired cutting area.
- Ensure that the two no teeth edges are positioned correctly to follow the last two rows cut.

### 3. Usage

- Hold the cutter firmly with both hands for better control.
- Start cutting at a 60° angle, applying even pressure.
- If cutting in the left direction, ensure your body is positioned safely to avoid injury.
- After completing the cut, carefully lift the cutter away from the material.

### 4. PostUse Care

- Clean the cutter after each use to maintain its performance.

- Store the cutter in a safe place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the NO. SE THREEEDGE SPACER REPLACEMENT CUTTERS, please reach out to the designated contact point provided with your product packaging or visit the official GUNLINE website for assistance.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using your new tool!
