# Safety Instruction Guide for NO. SE THREEEDGE SPACER REPLACEMENT CUTTERS GUNLINE 22 LPI

## Introduction

Thank you for choosing the NO. SE THREEEDGE SPACER REPLACEMENT CUTTERS from GUNLINE. This guide provides essential safety information and instructions for the proper use and maintenance of this product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using cutting tools.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not attempt to modify or repair the product unless specifically instructed in this manual.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the cutters on stable and secure surfaces to prevent slipping.
- Ensure that your hands and other body parts are clear of the cutting area before operating.
- Do not force the cutter. If it becomes difficult to operate, stop and check for obstructions or damage.
- Always cut away from your body to minimize the risk of injury.
- Do not use the cutters for any other purpose than cutting spacers as specified.
- Store the cutters in a safe place when not in use to prevent accidental injuries.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the workspace is clean and free of clutter.
- Gather all necessary materials and tools before starting.

### 2. Installation of Cutters

- Identify the correct orientation of the cutters for use (reversible for left or right direction).
- Securely attach the cutters to the appropriate tool or holder as per the manufacturer's instructions.

### 3. Usage

- Position the material to be cut securely on a stable surface.
- Align the cutters with the cutting line and ensure a firm grip.
- Apply even pressure while cutting to achieve a clean cut.
- After completing the cut, carefully remove the cutters from the material.

### 4. PostUse Care

- Clean the cutters after use to remove any debris or residue.
- Store the cutters in a designated area to prevent damage and ensure safety.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and nonfood product waste.
- Do not dispose of the product in household waste. Look for designated recycling facilities in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please reach out to your local distributor or the manufacturer. They will provide the necessary assistance and support.

By following these safety instructions, you can ensure a safe and effective experience with your NO. SE THREEEDGE SPACER REPLACEMENT CUTTERS. Always prioritize safety and proper usage to maximize the product's benefits.
