# Safety Instruction Guide for NO. SD TWOEDGE SPACER REPLACEMENT CUTTERS GUNLINE 16 LPI

## Introduction

Thank you for choosing the NO. SD TWOEDGE SPACER REPLACEMENT CUTTERS by GUNLINE. This product is designed to provide efficient cutting with a reversible design for both right and lefthanded users. To ensure your safety and the longevity of the product, please follow the guidelines outlined in this manual.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the cutter before each use for any signs of damage or wear.
- Keep the cutter out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when using the cutter.
- Ensure the work area is clean and free of obstacles to prevent accidents.
- Do not use the cutter for any purpose other than its intended use.

## Specific Safety Precautions for Use

- Be aware of the cutting edge; it is sharp and can cause injury.
- Always cut away from your body to reduce the risk of injury.
- Do not attempt to catch the cutter if it slips; let it fall to avoid injury.
- Use the cutter only on suitable materials as specified by the manufacturer.
- If the cutter becomes stuck during use, turn it off and carefully remove it without force.
- Keep your hands clear of the cutting path while operating the cutter.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the workspace is clean and welllit.
- Verify that you have all necessary components and tools before starting the installation.
- Follow the manufacturer's guidelines for attaching the cutter to the tool or device.

### 2. Usage:

- Position the material securely to prevent movement while cutting.
- Adjust the angle of the cutter to 60° for optimal performance.
- Begin cutting at a slow and steady pace to maintain control.
- If reversing the direction of the cut, ensure the cutter is properly adjusted and secured.

## Disposal Instructions

- Dispose of the cutter in accordance with local regulations.
- Do not dispose of the cutter in regular household waste if it is damaged or broken.
- Consider recycling the cutter if applicable, following local guidelines for metal recycling.

## Contact Information for Further Support

For any inquiries regarding safety concerns or product support, please contact the manufacturer's customer

service. Make sure to have your product details ready for efficient assistance.

By adhering to these guidelines, you can ensure a safe and effective experience with your NO. SD TWOEDGE SPACER REPLACEMENT CUTTERS. Stay safe and enjoy your cutting tasks!
