LEADER CHECKERING SET GUNLINE LEADER SET, 16 LPI Safety Instruction Guide

Introduction

Thank you for choosing the LEADER CHECKERING SET GUNLINE LEADER SET, 16 LPI. This product is designed for safe and effective use in checkering applications. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the tools before use for any signs of damage or wear.
- Ensure that all tools are used according to the manufacturer's instructions.
- Keep the work area clean and free from clutter to prevent accidents.
- Store tools in a safe place and out of reach of children.
- Use appropriate personal protective equipment (PPE), such as gloves and safety glasses, when using the tools.
- Be aware of your surroundings and ensure that no one is in the immediate area when using sharp tools.

Specific Safety Precautions for Use

- **Sharp Edges:** The tools included in this set have sharp edges. Handle with care to avoid cuts and injuries.
- **Proper Grip:** Always maintain a firm grip on the tools during use to prevent slips.
- **Work Surface:** Use a stable and secure work surface to minimize the risk of accidents.
- **Follow Instructions:** Adhere to the illustrated instructions provided to ensure safe and correct usage.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while using the tools.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure your work area is welllit and organized.

2. Using the Tools:

- **2Edge Spacer:** Align the spacer with the desired checkering pattern and press firmly.
- **BorderVex:** Use this tool to create borders around the checkering design.
- **VEdger:** This tool is utilized to create precise edges; apply consistent pressure for best results.
- **Pointer Long:** Use this tool for detailed work and to mark specific areas.
- **Checkerer's Rule:** Measure and mark your workpiece accurately to ensure even checkering.
- **Layout Gauge:** This tool helps in setting up your workpiece for accurate checkering.

3. PostUse:

- Clean all tools after use to maintain their functionality.
- Store tools in a dry place to prevent rust and damage.

Disposal Instructions

- Dispose of any damaged or unusable tools according to local regulations.
- For the tools and packaging, check with your local waste management authority for proper disposal.

methods.
