CAMP PERRY CHECKERING SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the CAMP PERRY CHECKERING SET by GUNLINE. This guide provides essential safety instructions to ensure the safe and effective use of your checkering set. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure the workspace is clean and welllit to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, during use.
- Keep tools and accessories out of reach of children and pets.
- Inspect all tools before use to ensure they are in good working condition.
- Do not use the product for any purpose other than intended checkering tasks.
- If you experience any discomfort or notice any injury while using the tools, stop immediately and seek assistance.

Specific Safety Precautions for Use

- *Cutting Tools*: Handle all cutting tools with care. Always cut away from your body and keep fingers clear of cutting edges.
- *Sharp Edges*: The edges of the checkering tools are sharp. Be cautious when handling and storing them.
- *Dust and Debris*: Be aware that wood dust can be harmful when inhaled. Use a dust mask or work in a wellventilated area.
- *Tool Storage*: Store tools in a safe place where they cannot fall or be knocked over.
- *Child Safety*: This product is not suitable for children under 12 years of age. Adult supervision is recommended.

Instructions for Installation and Usage

1. **Preparation**:

   - Choose a suitable workspace that is stable and free of clutter.
   - Gather all tools and accessories included in the set: Edge Spacers, BorderVex, VEdger, PointerLong, Veiner, Checkerer's Rule, Layout Gauge, Patterns, and Illustrated Instructions.

2. **Layout**:

   - Use the Layout Gauge to mark the desired checkering pattern on the wood surface.
   - Ensure the layout is clear and visible before proceeding.

3. **Checkering Process**:

   - Select the appropriate cutter for your pattern.
   - Adjust the handle to fit comfortably in your grip.
   - Begin the checkering process by following the illustrated instructions, applying even pressure and maintaining control of the tool.

4. **Finishing Touches**:

- After completing the checkering, inspect the work for any rough edges or imperfections.
- Use the Veiner or VEdger to refine the checkering as needed.

5. **Cleanup**:

- After use, clean all tools and store them in a safe place.
- Dispose of wood shavings and debris responsibly.

Disposal Instructions

- Dispose of any unusable tools and accessories in accordance with local regulations.
- Wood debris and shavings can typically be composted or disposed of in general waste. Check local guidelines for specific disposal instructions.

Contact Information for Further Support

For any safety inquiries or support regarding the CAMP PERRY CHECKERING SET, please refer to the product packaging or visit the manufacturer's website. It is important to have a reliable source for assistance with your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your CAMP PERRY CHECKERING SET. Thank you for your attention to safety, and happy checkering!
