# CAMP PERRY CHECKERING SET SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the CAMP PERRY CHECKERING SET by GUNLINE. This set is designed to help you complete checkering jobs with precision and ease. However, safety is paramount when using any tools. This guide provides essential safety instructions to ensure a safe and effective experience.

## General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the workspace is clean and welllit to avoid accidents.
- Keep the tools out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect yourself from potential injuries.
- Inspect all tools for any damage before use. Do not use damaged tools.
- Always use the tools as intended and according to the guidelines provided.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Cutting Tools:

- Always handle cutting tools with care. Keep fingers and hands away from the cutting edges.
- Use cutting tools only for their intended purpose.
- Do not force a tool; if it does not cut easily, stop and assess the situation.

### • Workspace Safety:

- Ensure that your work surface is stable and secure.
- Keep the area free from clutter and distractions while working.

### • Personal Safety:

- Do not wear loose clothing or accessories that may get caught in the tools.
- Tie back long hair to prevent it from interfering with your work.

### • Tool Maintenance:

- Clean tools after each use to maintain their effectiveness and longevity.
- Store tools in a dry place, away from moisture and extreme temperatures.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all tools and materials needed for your checkering job.
- Review the illustrated instructions included in the set for specific guidance on each tool.

### 2. Using the Checkering Tools:

- Select the appropriate tool based on the complexity of the pattern you wish to create.

- Use the Layout Gauge to mark your design clearly on the wood surface.
- Follow the illustrated instructions carefully for each tool to achieve the desired results.
- Use the 60° spacers and 90° cutters as specified to maintain accuracy in your work.

### **3. Finishing Touches:**

- After completing the checkering, inspect your work for any rough edges or imperfections.
- Use the Veiner and Checkerer's Rule for final adjustments and to ensure a polished finish.

### **4. PostUse:**

- Store all tools in their designated places to prevent damage and ensure safety during future use.

## **Disposal Instructions**

- Dispose of any damaged tools or accessories in accordance with local regulations.
- Do not dispose of tools in regular household waste. Check with local authorities for proper disposal methods.
