CAMP PERRY CHECKERING SET Safety Instructions

Introduction

Thank you for choosing the CAMP PERRY CHECKERING SET by GUNLINE. This guide provides essential safety instructions to ensure the safe and effective use of your checkering tools. Please read this guide carefully before using the product.

General Safety Guidelines

- Always read and follow the instructions provided with the set.
- Ensure that you are familiar with all tools included in the set before use.
- Keep the tools out of reach of children and vulnerable individuals.
- Inspect tools for any damage or wear before each use. Do not use damaged tools.
- Use the tools only for their intended purpose as described in this guide.
- Wear appropriate personal protective equipment (PPE), including eye protection and gloves, when using the tools.
- Maintain a clean and organized workspace to prevent accidents.
- Store tools in a secure location when not in use to avoid injury.

Specific Safety Precautions for Use

- **Cutting Tools:**
 - Handle cutting tools with care; they are sharp and can cause injury.
 - Always cut away from your body and keep fingers clear of the cutting path.
- **Work Surface:**
 - Use a stable and nonslip surface when working.
 - Ensure that the material you are working on is securely clamped or held in place.
- **Patterns and Layouts:**
 - Follow the illustrated instructions carefully for layout and pattern application.
 - Doublecheck measurements and alignments before making any cuts.
- **Dust and Debris:**
 - Minimize dust and debris by working in a wellventilated area.
 - Clean up any wood shavings or debris immediately to prevent slipping or tripping hazards.

Instructions for Installation and Usage

1. Preparation:

- Gather all tools and materials needed for your project.
- Ensure your workspace is clean and welllit.

2. Setting Up:

- Choose the appropriate cutter based on the pattern you wish to create.
- Attach the cutter securely to the handle.
- Adjust the depth of cut according to the material thickness and desired pattern.

3. Layout:

- Use the Layout Gauge to mark your design on the wood surface.
- Ensure all markings are clear and visible before proceeding.

4. Checkering Process:

- Begin with the Edge Spacer to create the initial grooves.
- Progressively use the VEdger and other tools to refine your pattern.
- Regularly check your progress against the pattern to maintain accuracy.

5. Finishing Touches:

- Once the checkering is complete, clean the surface of any debris.
- Apply a finish or sealant if desired, following the manufacturer's instructions for the product used.

Disposal Instructions

- Dispose of any unwanted or damaged tools in accordance with local regulations.
- Do not dispose of tools in regular household waste if they are sharp or hazardous.
- Consider recycling any metal components where possible.

Contact Information for Further Support

For any inquiries or concerns regarding the CAMP PERRY CHECKERING SET, please refer to the EUbased contact point provided by the manufacturer or retailer where you purchased the product.

Conclusion

By following these safety instructions, you can enjoy using your CAMP PERRY CHECKERING SET effectively and safely. Always prioritize safety in your woodworking projects to ensure a positive experience.

Thank you for your attention to these important safety guidelines. Happy checkering!
