# CAMP PERRY CHECKERING SET SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the CAMP PERRY CHECKERING SET by GUNLINE. This set is designed to help you complete various checkering jobs from layout to finish, suitable for all types of wood. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the tools as intended and according to the instructions provided.
- Keep the tools out of reach of children and individuals who may not understand their use.
- Inspect tools before each use for any signs of damage or wear. Do not use damaged tools.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Ensure that your workspace is clean, welllit, and free of distractions.
- Be aware of your surroundings and ensure that no one is in the immediate area while you are working.
- Store the tools in a safe and dry place when not in use.

## Specific Safety Precautions for Use

- **Cutting Hazards:** The tools included in this set have sharp edges. Always handle with care to avoid cuts or injuries.
- **Wood Dust:** Checkering can produce wood dust, which may be harmful if inhaled. Use a dust mask or work in a wellventilated area.
- **Tool Stability:** Ensure that the workpiece is secured properly before using any cutting tools to prevent slippage.
- **Proper Grip:** Always maintain a firm grip on the tools while in use to avoid accidents.
- **Avoid Distractions:** Focus on the task at hand and avoid any distractions that could lead to accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Select the appropriate tool for your checkering job from the set.
- Gather all necessary materials, including wood, layout gauge, and safety equipment.

### 2. Layout:

- Use the Layout Gauge to mark your desired pattern on the wood surface.
- Ensure that the markings are clear and visible before proceeding.

### 3. Using the Tools:

- Choose the correct cutter based on the pattern and wood type.
- Hold the tool firmly and position it on the marked area.
- Apply even pressure and follow the marked lines carefully.
- For intricate patterns, take your time and work slowly to ensure accuracy.

### 4. Finishing:

- After completing the checkering, inspect the work for any rough edges or imperfections.

- Use the VEdger and Veiner to refine the edges if necessary.
- Clean the work area and tools after use.

## Disposal Instructions

- Dispose of any wood shavings and dust according to local regulations.
- For tools that are damaged beyond repair, check your local waste management guidelines for proper disposal methods.
- Do not dispose of tools in regular household waste if they are still functional; consider donating them or recycling where appropriate.

## Contact Information for Further Support

For any safety inquiries or further support regarding the CAMP PERRY CHECKERING SET, please refer to the product packaging for the appropriate contact details. Always ensure that you have the latest information regarding the product's safety and usage.

## Conclusion

By following the guidelines and instructions provided in this safety instruction guide, you can ensure a safe and effective experience with the CAMP PERRY CHECKERING SET. Always prioritize safety and take the necessary precautions to protect yourself and others while using this product.
