

# BARREL BEDDING TOOL - GUNLINE BARREL BEDDING TOOL SET

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding.

Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

# Safety Instruction Guide for Gunline Barrel Bedding Tool Set

## Introduction

Thank you for choosing the Gunline Barrel Bedding Tool Set. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before using the tool to minimize risks and enhance your experience.

## General Safety Guidelines

- Always keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Use the tool only for its intended purpose as described in this guide.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves during use.
- Ensure your workspace is clean, welllit, and free of hazards.
- Avoid distractions while using the tool to maintain focus and control.
- If you experience any discomfort or unusual sensations while using the tool, stop immediately and consult a professional.

## Specific Safety Precautions for Use

- **Cutting Hazards:** The cutting edges of the tool can cause severe injuries. Always handle with care.
- **Pressure Control:** Do not apply excessive pressure while cutting, as it may lead to loss of control or injury.
- **Cutter Maintenance:** Regularly check and replace cutter discs as needed to ensure optimal performance and safety.
- **Proper Handling:** Always use the tool with both hands for better control and stability.
- **Avoid Loose Clothing:** Ensure that clothing, jewelry, and hair are secured to prevent entanglement with the tool.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure you are wearing appropriate PPE.

### 2. Tool Setup:

- Select the appropriate cutter size for your task (available sizes:  $\frac{1}{2}$ ",  $\frac{9}{16}$ ",  $\frac{5}{8}$ ",  $\frac{11}{16}$ ", and  $\frac{3}{4}$ ").
- Attach the selected cutter securely to the tool following the manufacturer's instructions.

### 3. Using the Tool:

- Position the tool at the desired angle over the wood surface.
- Apply gentle pressure to initiate the cut, allowing the tool to do the work.
- Move the tool smoothly along the barrel channel, avoiding sudden movements.
- Stop periodically to check your progress and ensure the cut is even.

### 4. PostUse Care:

- After use, clean the tool and store it in a dry, secure location.

- Inspect the cutters for wear and replace them if necessary.

## Disposal Instructions

- Dispose of the tool and any wornout components in accordance with local regulations.
- Do not dispose of the tool in regular household waste. Check for recycling options in your area.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided by your retailer or manufacturer.

By following these guidelines and precautions, you can ensure a safer and more effective experience with the Gunline Barrel Bedding Tool Set. Thank you for prioritizing safety!
