

# BARREL BEDDING TOOL - GUNLINE 1/2" BARREL BEDDING TOOL

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

# Safety Instruction Guide for BARREL BEDDING TOOL GUNLINE 1/2" BARREL BEDDING TOOL

## Introduction

Thank you for choosing the BARREL BEDDING TOOL GUNLINE 1/2" BARREL BEDDING TOOL. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and follow these instructions carefully to avoid hazards and ensure optimal performance.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and free from any obstructions before starting.
- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, to protect against wood shavings and debris.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for wear and damage. Do not use if any parts are broken or missing.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the tool is properly secured before use to prevent slipping or movement.
- Avoid applying excessive pressure while using the tool; let the cutter do the work.
- Do not attempt to modify the tool or use it for purposes other than intended.
- Always cut away from your body to prevent injury in case of slipping.
- Be cautious of sharp edges on the cutter discs and bedding tools.
- If you experience any discomfort or unusual noise while using the tool, stop immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the workspace is welllit and organized.

### 2. Installation of Replacement Cutters:

- Select the appropriate replacement cutter size (7/8" or 1" diameter).
- Remove the old cutter by unscrewing it from the tool handle.
- Install the new cutter by securely screwing it into place, ensuring it is properly aligned.

### 3. Using the Bedding Tool:

- Hold the tool firmly with both hands for better control.
- Position the tool at the desired angle above the wood surface.
- Start the cut slowly, allowing the cushionedcutter design to guide the tool without digging in.
- Move the tool steadily along the barrel channel, applying light pressure as needed.
- After completing the cut, inspect the channel for any rough spots and make additional passes if necessary.

### 4. Cleanup:

- After use, clean the tool and workspace to remove wood shavings and debris.
- Store the tool in a safe, dry place away from children and pets.

## **Disposal Instructions**

- Dispose of any damaged or wornout parts in accordance with local regulations.
- For replacement cutters, check if they can be recycled or must be disposed of as general waste.
- Do not throw the tool in regular household waste; check for proper disposal methods in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of the BARREL BEDDING TOOL GUNLINE 1/2" BARREL BEDDING TOOL, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for following these safety instructions. Your safety is our priority.
