

BARREL BEDDING TOOL - GUNLINE 9/16" BARREL BEDDING TOOL

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

Safety Instruction Guide for BARREL BEDDING TOOL GUNLINE 9/16" BARREL BEDDING TOOL

Introduction

Thank you for choosing the BARREL BEDDING TOOL GUNLINE 9/16" BARREL BEDDING TOOL. This tool is designed for precision bedding of barrels in firearms, providing a smooth and chatterfree cut. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the tool is in good condition before use. Inspect for any damage or wear.
- Keep the tool out of reach of children and vulnerable individuals.
- Use the tool only for its intended purpose as described in this manual.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while using the tool.
- Be aware of your surroundings and ensure that the work area is clear of distractions and hazards.
- Always follow local regulations regarding the use and handling of tools.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Sharp edges and moving parts can cause cuts and injuries.
 - Improper handling can lead to accidents or damage to the tool.
- **Avoiding Hazards:**
 - Always cut away from your body and keep hands clear of the cutting path.
 - Do not apply excessive pressure while using the tool; let the tool do the work.
 - Ensure that the workpiece is securely clamped or held in place before cutting.
- **Age Restrictions:**
 - This tool is not intended for use by individuals under the age of 18.
 - Ensure that any users are trained and supervised by a qualified adult.

Instructions for Installation and Usage

- **Installation:**
 1. Select the appropriate cutter size based on your project requirements (available sizes: 1/2", 9/16", 5/8", 11/16", and 3/4").
 2. Attach the cutter to the handle securely, ensuring it is locked in place.
 3. Adjust the tool to the desired cutting depth, if applicable.
- **Usage:**
 1. Position the tool at the start of the barrel channel.
 2. Apply gentle pressure and begin cutting, maintaining a consistent speed.
 3. Periodically check the cutting progress and adjust as necessary to achieve a smooth finish.
 4. After use, clean the tool and store it in a safe place.

Disposal Instructions

- Dispose of the tool responsibly in accordance with local regulations.
- Do not dispose of the tool in regular household waste.

- Consider recycling options for metal components if available.

Contact Information for Further Support

For any inquiries regarding safety or usage of the BARREL BEDDING TOOL GUNLINE 9/16" BARREL BEDDING TOOL, please refer to the manufacturer's contact information provided with the product packaging.

By adhering to these safety instructions, you can ensure a safe and effective experience with your BARREL BEDDING TOOL. Always prioritize safety and follow best practices while using this tool.
