

# BARREL BEDDING TOOL - GUNLINE 11/16" BEDDING TOOL

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

## Attributes

- Name: [GUNLINE 11/16" BEDDING TOOL](#)
- Manufacturer: [GUNLINE](#)
- Product no.: 364700687
- Mfr. No.: BBT-1116

# Safety Instruction Guide for BARREL BEDDING TOOL GUNLINE 11/16" BEDDING TOOL

## Introduction

Thank you for choosing the BARREL BEDDING TOOL GUNLINE 11/16" BEDDING TOOL. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the tool to minimize risks and ensure proper handling.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves.
- Ensure the work area is clean, dry, and free from distractions.
- Do not use the tool for any other purpose than intended.

## Specific Safety Precautions for Use

- Ensure that the cutter is securely attached before use to prevent accidents.
- Use the tool only on wood materials as specified in the product guidelines.
- Avoid applying excessive pressure while using the tool to prevent injury or damage.
- Always cut away from your body to reduce the risk of injury.
- Do not allow bystanders to be in close proximity while using the tool.
- If the tool becomes jammed, disconnect it and follow the manufacturer's instructions for clearing the jam.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials and tools.
- Ensure that you have adequate lighting and a stable work surface.

### 2. Installation of Cutters:

- Select the appropriate cutter size for your project.
- Align the cutter with the tool's attachment point.
- Secure the cutter in place according to the manufacturer's instructions.

### 3. Using the Tool:

- Hold the tool firmly with both hands.
- Position the tool at the start of the barrel channel.
- Apply a steady, moderate pressure to begin cutting.
- Move the tool smoothly along the channel, ensuring a consistent angle.
- Periodically check the cut depth and adjust as necessary.

### 4. PostUse:

- After use, clean the tool to remove any wood shavings or debris.
- Store the tool in a safe and dry location, away from children.

## **Disposal Instructions**

- Dispose of the tool according to local regulations regarding wood and metal waste.
- Do not dispose of the tool in general household waste.
- If the tool is no longer usable, consider recycling the materials if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or use of the BARREL BEDDING TOOL GUNLINE 11/16" BEDDING TOOL, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a safer experience while using the BARREL BEDDING TOOL GUNLINE 11/16" BEDDING TOOL. Thank you for prioritizing safety and responsible use.
