

BARREL BEDDING TOOL - GUNLINE 3/4" BEDDING TOOL

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

Safety Instruction Guide for BARREL BEDDING TOOL GUNLINE 3/4" BEDDING TOOL

Introduction

Thank you for choosing the BARREL BEDDING TOOL GUNLINE 3/4" BEDDING TOOL. This tool is designed to provide a perfect, chatterfree cut while shavings out excess wood, leaving the barrel channel smooth and ready for use. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the workspace is clean and free of clutter to prevent accidents.
- Use personal protective equipment (PPE) such as safety goggles and gloves during operation.
- Keep the tool out of reach of children and untrained individuals.
- Do not use the tool for purposes other than those intended.
- Regularly inspect the tool for signs of wear or damage; do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the tool is used on a stable and secure surface to prevent slipping.
- Always maintain a firm grip on the tool while in use.
- Avoid applying excessive pressure; let the tool do the work to prevent gouging.
- Do not attempt to modify or alter the tool in any way.
- When changing cutters, ensure that the tool is turned off and unplugged (if applicable).
- Store the tool in a dry place and secure it to prevent accidental damage or injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary components: the bedding tool, handles, and replacement cutters.
- Choose the appropriate cutter size for your application (available sizes: 1/2", 9/16", 5/8", 11/16", and 3/4").

2. Installation of Cutter:

- Turn off and unplug the tool if it is powered.
- Remove the existing cutter by following the manufacturer's instructions.
- Install the new cutter by aligning it properly and securing it in place.

3. Using the Bedding Tool:

- Position the tool at the desired angle against the wood surface.
- Apply gentle pressure and allow the tool to shave away excess wood.
- Move the tool in a steady motion to achieve a smooth finish.
- If the tool becomes difficult to maneuver, stop and check for obstructions or damage.

4. PostUse Care:

- Clean the tool after use to remove wood shavings and debris.
- Inspect the cutter for wear and replace if necessary.
- Store the tool in a safe location, out of reach of children.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the tool in household waste; consider recycling options if available.
- Ensure that all components, especially sharp cutters, are safely disposed of to prevent injury.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the BARREL BEDDING TOOL GUNLINE 3/4" BEDDING TOOL, please refer to the EU contact point for product safety inquiries.

By following these guidelines, you can ensure safe and effective use of your BARREL BEDDING TOOL. Thank you for your attention to safety.
