

# BARREL BEDDING TOOL - GUNLINE 7/8" BEDDING TOOL

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

# Barrel Bedding Tool Gunline Safety Instruction Guide

## Introduction

Thank you for choosing the Barrel Bedding Tool Gunline 7/8" Bedding Tool. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure the tool is used only for its intended purpose as described in this manual.
- Keep the tool out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles, gloves, and a dust mask when using the tool.
- Inspect the tool before each use for any signs of damage or wear. Do not use if damaged.
- Ensure your workspace is clean and free from hazards before starting work.
- Be aware of your surroundings and ensure no one is in the immediate vicinity while using the tool.
- Follow local regulations for the disposal of wood shavings and other waste materials generated during use.

## Specific Safety Precautions for Use

- Do not apply excessive pressure when using the tool, as this may cause the cutter to dig into the wood.
- Always use the tool with both hands for better control and stability.
- Avoid wearing loose clothing or jewelry that may get caught in the tool.
- Do not use the tool if you are tired, distracted, or under the influence of substances that impair your judgment.
- Store the tool in a secure place when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the correct size cutter for your project. The Barrel Bedding Tool comes with a variety of cutter sizes ( $\frac{1}{2}$ ", 9/16", 5/8", 11/16", and  $\frac{3}{4}$ ").
- Prepare the work area by clearing any obstacles and ensuring adequate lighting.

### 2. Installation:

- Select the appropriate cutter size and securely attach it to the tool according to the manufacturer's instructions.
- Ensure that the cutter is properly aligned and locked in place before use.

### 3. Usage:

- Hold the tool firmly with both hands, keeping fingers away from the cutting area.
- Start the tool and allow it to reach full speed before making contact with the wood.
- Move the tool smoothly and steadily along the barrel channel, applying light pressure to avoid digging in.
- Periodically check the progress and adjust your technique as needed to maintain a smooth cut.

### 4. PostUse:

- After completing your work, turn off the tool and unplug it from the power source if applicable.
- Clean the tool and remove any wood shavings or debris from the work area.
- Store the tool in a dry, secure location away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of any wood shavings and debris in accordance with local waste disposal regulations.
- If the tool becomes damaged beyond repair, follow local guidelines for the disposal of electrical and mechanical equipment.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Barrel Bedding Tool Gunline, please contact the appropriate local authorities or your retailer. Always ensure that you are following the latest safety guidelines and regulations.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy using your Barrel Bedding Tool!
