

# BARREL BEDDING TOOL - GUNLINE 1" BEDDING TOOL

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

# Safety Instruction Guide for BARREL BEDDING TOOL GUNLINE 1" BEDDING TOOL

## Introduction

Thank you for purchasing the BARREL BEDDING TOOL GUNLINE 1" BEDDING TOOL. This guide provides essential safety information and instructions to ensure safe usage of the product. Please read this guide carefully before using the tool.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure the work area is clean and free from hazards.
- Keep the tool out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE) such as gloves and safety goggles.
- Inspect the tool before each use for any signs of damage or wear.
- Store the tool in a dry place away from moisture and extreme temperatures.

## Specific Safety Precautions for Use

- Use the tool only for its intended purpose: bedding and cutting wood.
- Avoid applying excessive pressure on the tool while in use to prevent accidents.
- Do not attempt to modify or alter the tool in any way.
- Ensure that the cutter discs are correctly installed before use.
- Do not use the tool if you are fatigued or under the influence of drugs or alcohol.
- Always maintain a firm grip on the tool during operation.
- If the tool becomes stuck, turn it off and carefully remove any obstructions before continuing.
- In case of an accident or injury, seek medical attention immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the appropriate replacement cutter for your task (7/8" or 1").
- Gather all necessary tools and materials before starting.

### 2. Installation of Cutter Discs:

- Select the appropriate cutter disc size.
- Align the cutter disc with the tool's mounting area.
- Secure the cutter disc in place according to the manufacturer's instructions.

### 3. Using the Tool:

- Position the tool at the desired angle against the wood surface.
- Start the tool and allow it to reach full speed before making contact with the wood.
- Apply gentle pressure to guide the tool along the wood, ensuring a smooth and controlled cut.
- Regularly check the progress and make adjustments as necessary.

### 4. PostUse:

- Turn off the tool and disconnect it from the power source if applicable.
- Clean the tool and remove any debris from the cutter discs.

- Store the tool in its designated place to prevent damage.

## Disposal Instructions

- Dispose of the tool in accordance with local regulations for electrical and electronic equipment.
- If the tool is no longer functional, consider recycling the components where possible.
- Ensure that all packaging materials are disposed of responsibly.

## Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure the safe and effective use of the BARREL BEDDING TOOL GUNLINE 1" BEDDING TOOL. Always prioritize safety and responsible usage to enjoy the best experience with your tool.
