

# BARREL BEDDING TOOL - GUNLINE 1/2" REPLACEMENT CUTTER PAK

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

## Attributes

- Name: [GUNLINE 1/2" REPLACEMENT CUTTER PAK](#)
- Manufacturer: [GUNLINE](#)
- Product no.: 364701500
- Mfr. No.: BBTC12

# Safety Instruction Guide for BARREL BEDDING TOOL GUNLINE 1/2" REPLACEMENT CUTTER PAK

## Introduction

Thank you for choosing the BARREL BEDDING TOOL GUNLINE 1/2" REPLACEMENT CUTTER PAK. This guide provides essential safety information and instructions for the proper use of this product. Please read this document carefully to ensure safe operation and to maximize the effectiveness of your tool.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool and replacement cutters before use for any signs of damage or wear.
- Do not use the tool if any parts are damaged or missing.
- Follow all instructions provided in this guide to avoid accidents and injuries.

## Specific Safety Precautions for Use

- Only use replacement cutters that are compatible with the BARREL BEDDING TOOL.
- Avoid applying excessive pressure when using the tool to prevent injury and ensure a clean cut.
- Maintain a firm grip on the tool during operation to prevent slips.
- Use the tool in a wellventilated area to avoid inhalation of wood dust.
- Do not operate the tool near flammable materials or in wet conditions.
- Always disconnect power tools from their power source when changing cutters or making adjustments.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure the workspace is clean and organized.

### 2. Installing the Cutter:

- Select the appropriate replacement cutter size (7/8" or 1").
- Remove the old cutter by loosening the retaining screw with a screwdriver.
- Insert the new cutter into the designated slot and secure it by tightening the retaining screw.

### 3. Using the Tool:

- Position the tool at the appropriate angle against the wood surface.
- Apply light, even pressure to begin cutting.
- Move the tool in a steady motion to achieve a smooth cut without gouging.
- If resistance is felt, stop and check for any obstructions or issues with the cutter.

### 4. After Use:

- Clean the tool and cutters to remove wood dust and debris.
- Store the tool in a dry place, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any damaged or wornout parts in accordance with local waste disposal regulations.
- Do not throw the tool or its components in regular household trash; instead, recycle when possible.
- Follow local guidelines for the disposal of power tools and hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the BARREL BEDDING TOOL GUNLINE 1/2" REPLACEMENT CUTTER PAK, please contact your local retailer or manufacturer. Always ensure you are using the product in accordance with the guidelines provided in this document.

Thank you for prioritizing safety while using the BARREL BEDDING TOOL. Your adherence to these guidelines helps ensure a safe and effective experience.
