

# BARREL BEDDING TOOL - GUNLINE 9/16" REPLACEMENT CUTTER PAK

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

# Safety Instruction Guide for BARREL BEDDING TOOL GUNLINE 9/16" REPLACEMENT CUTTER PAK

## Introduction

Thank you for choosing the BARREL BEDDING TOOL GUNLINE 9/16" REPLACEMENT CUTTER PAK. This guide provides important safety instructions and information to ensure the safe use of this product. Please read this guide carefully before using the tool.

## General Safety Guidelines

- Always use the tool as intended and according to the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Ensure the work area is clean, welllit, and free from distractions.
- Be aware of your surroundings when using the tool to avoid accidents.

## Specific Safety Precautions for Use

- Ensure the cutter is securely attached before use.
- Do not apply excessive pressure when using the tool; let the cutter do the work.
- Avoid cutting materials that are not specified for this tool.
- Do not use the tool in wet or damp conditions.
- Always cut away from your body to prevent injury.
- If you feel any unusual resistance or hear any strange noises, stop using the tool immediately and inspect it.

## Instructions for Installation and Usage

### 1. Installation of Replacement Cutter:

- Remove the old cutter from the tool by unscrewing it.
- Clean the cutter area to remove any debris.
- Align the new cutter with the tool's attachment point.
- Securely screw the new cutter into place, ensuring it is tightly fastened.

### 2. Using the Tool:

- Position the tool at the desired angle over the material to be cut.
- Apply light pressure and allow the cutter to shave away the excess wood.
- Move the tool in a controlled manner, maintaining a steady pace.
- After use, clean the tool and remove any wood shavings.

## Disposal Instructions

- Dispose of the tool and any replacement cutters in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of this product, please contact the manufacturer directly through their official website or customer service channels.

By following these safety instructions, you can ensure a safe and effective experience with the BARREL BEDDING TOOL GUNLINE 9/16" REPLACEMENT CUTTER PAK. Thank you for your attention to safety.
