

# BARREL BEDDING TOOL - GUNLINE 5/8" REPLACEMENT CUTTER PAK

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

## Attributes

- Name: [GUNLINE 5/8" REPLACEMENT CUTTER PAK](#)
- Manufacturer: [GUNLINE](#)
- Product no.: 364701625
- Mfr. No.: BBTC58

# Safety Instruction Guide for BARREL BEDDING TOOL GUNLINE 5/8" REPLACEMENT CUTTER PAK

## Introduction

Thank you for choosing the BARREL BEDDING TOOL GUNLINE 5/8" REPLACEMENT CUTTER PAK. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the tool.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in the product specifications.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles, gloves, and a dust mask when using the tool.
- Keep the workspace clean and free of clutter to prevent accidents.
- Ensure that children and vulnerable individuals are kept away from the work area during use.
- Regularly inspect the tool for any signs of damage or wear. Do not use if damaged.
- Follow all local regulations regarding the safe use and disposal of tools and materials.

## Specific Safety Precautions for Use

- Always secure the workpiece before cutting to prevent movement.
- Do not apply excessive pressure when using the tool; let the cutter do the work.
- Avoid using the tool near flammable materials or in environments with poor ventilation.
- Be cautious of sharp edges and debris that may result from the cutting process.
- If the tool jams or becomes difficult to operate, stop using it immediately and investigate the cause.
- Store the tool in a safe place when not in use, ideally in a protective case or container.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the tool is clean and free from debris.
- Gather all necessary materials and PPE.

### 2. Installation of Replacement Cutters

- Remove the existing cutter by unscrewing it from the tool.
- Select the appropriate replacement cutter (1¼" cut length).
- Insert the new cutter into the tool and secure it tightly to ensure stability during use.

### 3. Using the Tool

- Position the tool over the area to be cut.
- Apply gentle pressure and move the tool smoothly along the barrel channel.
- Monitor the cutting process, and adjust pressure as needed to maintain a consistent cut without gouging.

### 4. PostUse Care

- Clean the tool after each use to prevent buildup of wood shavings and debris.
- Store the tool in a dry place, away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of the tool and any replacement cutters in accordance with local regulations.
- If the tool is no longer functional, consider recycling components where possible.
- Do not dispose of the tool in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please reach out to the manufacturer or your local distributor. Ensure you have the product details on hand for reference.

By following these guidelines, you can ensure a safe and effective experience with the BARREL BEDDING TOOL GUNLINE 5/8" REPLACEMENT CUTTER PAK. Thank you for your attention to safety and proper usage.
