

BARREL BEDDING TOOL - GUNLINE 11/16" REPLACEMENT CUTTER PAK

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

Safety Instruction Guide for GUNLINE Barrel Bedding Tool

Introduction

Thank you for choosing the GUNLINE Barrel Bedding Tool Gunline 11/16" Replacement Cutter Pak. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective use of this product. Please read this guide thoroughly before using the tool.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the tool to protect against flying debris and sharp edges.
- Keep the tool out of reach of children and vulnerable individuals to prevent accidental injury.
- Inspect the tool and its components before each use for any signs of wear or damage. Do not use if damaged.
- Follow all local regulations and safety standards when using and disposing of the tool.

Specific Safety Precautions for Use

- Only use the tool on materials that are compatible with the cutter size and type.
- Avoid applying excessive pressure while using the tool to prevent injury and ensure a clean cut.
- Do not attempt to modify or alter the tool in any way, as this may compromise safety and functionality.
- Ensure that the work area is clean and free from obstructions to prevent trips and falls.
- Do not use the tool in wet or damp conditions to avoid electric shock or tool malfunction.
- Be cautious when changing cutter discs; ensure the tool is powered off and disconnected from any power source if applicable.

Instructions for Installation and Usage

1. Installation of Cutter Disc:

- Ensure the tool is turned off and disconnected from any power source.
- Remove the old cutter disc by loosening the locking mechanism.
- Align the new cutter disc with the mounting point and secure it in place by tightening the locking mechanism.

2. Using the Tool:

- Hold the tool firmly with both hands for better control.
- Position the cutter at the desired location on the barrel channel.
- Apply gentle, consistent pressure while moving the tool back and forth to achieve a smooth cut.
- Regularly check the cutter disc for wear and replace as necessary.

3. PostUse Care:

- Clean the tool after each use to remove wood shavings and debris.
- Store the tool in a dry, safe place away from children and pets.

Disposal Instructions

- Dispose of the tool and any worn cutter discs in accordance with local waste disposal regulations.
- If the tool is no longer usable, consider recycling components where applicable.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the GUNLINE Barrel Bedding Tool, please refer to the EU-based contact point provided by the retailer or manufacturer.

Note: This guide is designed to comply with the EU General Product Safety Regulation (GPSR). Please report any unsafe products or accidents to the relevant authorities and check the EU's Safety Gate platform for recall updates. Your safety is our priority.
