

# **BARREL BEDDING TOOL - GUNLINE 7/8" REPLACEMENT CUTTER PAK**

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## **Full Control Of Cutting Head At All Times With All Cuts**

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding.

Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

# Safety Instruction Guide for BARREL BEDDING TOOL GUNLINE 7/8" REPLACEMENT CUTTER PAK

## Introduction

Thank you for choosing the BARREL BEDDING TOOL GUNLINE 7/8" REPLACEMENT CUTTER PAK. This product is designed to help you achieve a perfect, chatterfree cut while bedding your barrel. To ensure safe and effective use of this tool, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always read the entire instruction manual before using the product.
- Ensure that the tool is used only for its intended purpose as described in this guide.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before each use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Store the tool in a dry, secure place when not in use.

## Specific Safety Precautions for Use

- Ensure that the workspace is clean and free from clutter to avoid accidents.
- Always secure the workpiece firmly before cutting to prevent movement.
- Do not apply excessive force while using the tool; let the cutter do the work.
- Avoid wearing loose clothing or jewelry that may get caught in the tool.
- Do not use the tool in wet or damp conditions to prevent electrical hazards.
- If you experience any discomfort or notice any unusual sounds during use, stop immediately and inspect the tool.

## Instructions for Installation and Usage

### Installation

1. Select the appropriate cutter size (7/8" or 1") for your application.
2. Ensure the cutter is compatible with the bedding tool set you are using.
3. Insert the cutter into the tool according to the manufacturer's instructions.
4. Secure the cutter in place to prevent it from loosening during use.

### Usage

1. Prepare the work area by clearing any unnecessary items.
2. Position the workpiece securely on a stable surface.
3. Hold the tool firmly with both hands, ensuring a good grip.
4. Align the cutter with the area to be cut.
5. Apply gentle pressure and allow the tool to cut without forcing it.
6. After use, clean the tool and store it properly.

## Disposal Instructions

- Dispose of the product and any packaging materials in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience while using the BARREL BEDDING TOOL GUNLINE 7/8" REPLACEMENT CUTTER PAK. Thank you for prioritizing safety!
