# Safety Instructions for BARREL BEDDER JR GUNLINE 3/4" BARREL BEDDING JR. CUTTER ONLY

## Introduction

Thank you for choosing the BARREL BEDDER JR GUNLINE 3/4" BARREL BEDDING JR. CUTTER ONLY. This tool is designed to assist in barrel channel cutting with precision and ease. To ensure safe and effective use of the product, please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read and understand the instructions before using the tool.
- Ensure that the tool is used only for its intended purpose as specified.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good working condition.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety goggles and gloves, to protect against debris and sharp edges.
- **Work Environment:** Use the tool in a welllit and clutterfree area to avoid accidents.
- **Handling:** Grip the tool firmly and use both hands when cutting to maintain control.
- **Cutting Technique:** Apply light pressure when cutting to prevent slipping and ensure a smooth cut.
- **Storage:** Store the tool in a safe place, away from moisture and extreme temperatures, to maintain its integrity.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the BARREL BEDDER JR and the cutter paks.
- Ensure your workspace is clean and organized.

### 2. Selecting a Cutter Pak:

- Choose the appropriate cutter pak size for your project: 1/2" (12.7mm), 5/8" (15.9mm), or 3/4" (19.0mm).

### 3. Attaching the Cutter:

- Align the selected cutter pak with the handle.
- Firmly attach the cutter to the handle until it clicks into place.

### 4. Using the Tool:

- Hold the handle with one hand while stabilizing the workpiece with the other hand.
- Start the cutting process at one end of the barrel channel.
- Move the tool in a smooth, steady motion, applying light pressure.
- Periodically check the depth and width of the cut to ensure it meets your specifications.

### 5. PostUse Care:

- After use, clean the tool to remove any debris.
- Store the tool and cutter paks in a safe, dry location.

## **Disposal Instructions**

- Dispose of the tool and any used cutter paks in accordance with local regulations.
- Do not dispose of the tool in household waste. Instead, consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage of the BARREL BEDDER JR GUNLINE 3/4" BARREL BEDDING JR. CUTTER ONLY, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your BARREL BEDDER JR. Thank you for your attention to safety!
