## Great Looking Spacers; Easy To Fit, Grind & Finish

Jet black or bright white, buttstock spacers made from strong, lightweight, polymer plastic for superior sanding and machining characteristics. Slotted hole design makes it easy to match up with just about any hole location. The wide range of thicknesses available let you use them alone or in combination to adjust rifle or shotgun stocks for length of pull, or to add a decorative and finishing touch to the stock.

# RIFLE POLYMER SPACER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the RIFLE POLYMER SPACER by 100 STRAIGHT PRODUCTS. This product is designed to enhance the comfort and functionality of your rifle or shotgun stock. It is important to follow the safety instructions outlined in this guide to ensure safe usage and compliance with applicable regulations.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model before installation.
- Always inspect the polymer spacer for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm modifications.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Material Safety:** The spacer is made from polymer. Avoid exposure to extreme heat and chemicals that may degrade the material.
- **Installation Safety:** Ensure that the firearm is unloaded before installing or adjusting the spacer.
- **Usage Safety:** Regularly check the spacer during use to ensure it remains securely attached and does not interfere with the operation of the firearm.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by an adult.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and in a safe condition.
- Gather necessary tools for installation, such as a screwdriver if required.

### 2. Installation:

- Align the slotted holes of the polymer spacer with the existing hole locations on your firearm stock.
- Secure the spacer using appropriate screws or fasteners, ensuring a snug fit.
- Check the alignment to ensure it does not obstruct any moving parts of the firearm.

### 3. Adjustment:

- If using multiple spacers, combine them as needed to achieve the desired length of pull.
- Regularly check that all spacers are securely attached and properly aligned.

### 4. Usage:

- After installation, perform a function check of your firearm to ensure that the spacer does not interfere with its operation.
- Use the spacer as intended for comfort and stability while aiming or shooting.

## Disposal Instructions

- When disposing of the polymer spacer, follow local regulations for plastic waste disposal.
- If the product is damaged or no longer needed, do not throw it in regular trash. Instead, consider

recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the RIFLE POLYMER SPACER, please refer to the manufacturer's contact details provided with your product packaging. It is important to have an EU-based contact for safety inquiries.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RIFLE POLYMER SPACER. Thank you for prioritizing safety in your firearm usage.
