[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Buttstock Spacers](#)

## Great Looking Spacers; Easy To Fit, Grind & Finish

Jet black or bright white, buttstock spacers made from strong, lightweight, polymer plastic for superior sanding and machining characteristics. Slotted hole design makes it easy to match up with just about any hole location. The wide range of thicknesses available let you use them alone or in combination to adjust rifle or shotgun stocks for length of pull, or to add a decorative and finishing touch to the stock.

# Safety Instruction Guide for RIFLE POLYMER SPACER 100 STRAIGHT PRODUCTS

## Introduction

Thank you for choosing the RIFLE POLYMER SPACER from 100 STRAIGHT PRODUCTS. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is to adjust rifle or shotgun stocks.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Always follow local regulations regarding firearm accessories and modifications.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- When installing the polymer spacer, make sure the firearm is unloaded and pointed in a safe direction.
- Use appropriate tools and techniques when installing the spacer to avoid injury.
- Ensure that the spacer is securely attached to prevent it from coming loose during use.
- Be cautious of sharp edges during installation and handling.
- Do not exceed the recommended thickness when stacking spacers, as this may affect the stability and safety of the firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools, including a screwdriver and any additional tools specified by the firearm manufacturer.

### 2. Installation

- Identify the desired length of pull for your rifle or shotgun.
- Select the appropriate thickness of the polymer spacer(s) needed to achieve the desired length.
- Align the spacer with the existing holes on the buttstock.
- Insert screws through the slotted holes of the spacer into the buttstock and tighten securely.
- Check the alignment and ensure the spacer is firmly attached.

### 3. Usage

- After installation, check the stability of the spacer before using the firearm.
- Regularly inspect the spacer during routine maintenance to ensure it remains secure and functional.

## Disposal Instructions

- Dispose of the product in accordance with local regulations concerning plastic waste.
- Do not incinerate the product as it may release harmful substances.
- If the product is damaged beyond repair, consider recycling options if available.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the RIFLE POLYMER SPACER, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation while using the RIFLE POLYMER SPACER. Enjoy your enhanced shooting experience!
