# Adjustable Disk Hardware Kit Safety Instructions

## Introduction

Thank you for choosing the Adjustable Disk Hardware Kit by 100 Straight Products. This guide provides essential safety instructions to ensure the safe installation and use of the product. Please read this document carefully before using the hardware kit.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the hardware kit out of reach of children to prevent accidental injuries.
- Inspect all components for damage before installation. Do not use damaged parts.
- Follow all installation instructions carefully to avoid improper use.
- If you experience any issues or have questions, seek assistance before proceeding.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Sharp edges may be present on some components. Handle with care to avoid cuts.
- Improper installation may lead to malfunction, affecting the safety and performance of the equipment.

### • Avoiding Hazards:

- Wear protective gloves when handling small parts to prevent injury.
- Ensure the work area is clean and free from distractions during installation.
- Use appropriate tools as specified in the instructions to prevent accidents.

### • Age Specific Warnings:

- This product is not suitable for children under 14 years of age. Adult supervision is recommended during installation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools: Allen wrenches (included), a screwdriver, and protective gloves.
- Ensure you have a clean and welllit workspace.

### 2. Installation Steps:

- Remove the existing comb from your stock if applicable.
- Locate the inlaid bases on your stock where the Adjustable Disk Kit will be installed.
- Secure the bases into the stock using the provided set screws. Ensure they are tightened properly.
- Attach the adjustable disks to the bases, ensuring they are aligned correctly for height and cast adjustments.
- Once installed, test the adjustability of the comb height and cast to ensure smooth operation.

### 3. Usage:

- Adjust the comb height and cast as needed for your shooting preference.

- Regularly check the tightness of the set screws to maintain secure adjustments.

## **Disposal Instructions**

- Dispose of all packaging materials responsibly. Recycle where possible.
- For the hardware components, follow local regulations regarding metal disposal.
- Do not dispose of any parts in a manner that may cause harm to the environment or wildlife.

## **Contact Information for Further Support**

For any questions regarding the Adjustable Disk Hardware Kit, please consult the manufacturer or an authorized dealer for assistance. Ensure you have your product details ready for efficient support.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your Adjustable Disk Hardware Kit!
