# Safety Instruction Guide for RIFLE POSITIVE BUTTSTOCK SPACER

## Introduction

Thank you for choosing the RIFLE POSITIVE BUTTSTOCK SPACER from 100 STRAIGHT PRODUCTS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a buttstock spacer.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects, discontinue use immediately and contact customer support.
- Do not modify the product in any way, as this may compromise its safety and effectiveness.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when installing or adjusting the buttstock spacer.
- Ensure that the firearm is unloaded and pointed in a safe direction before making any adjustments.
- Follow all manufacturer guidelines for your specific firearm model when installing the spacer.
- Be cautious of sharp edges during installation and handling to avoid cuts or injuries.
- Do not exceed the recommended length of pull adjustments as specified in the product specifications.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a screwdriver if needed.
- Ensure the workspace is clean and free of distractions.

### 2. Installation Steps

- Remove the existing buttstock from your firearm according to the manufacturer's instructions.
- Align the RIFLE POSITIVE BUTTSTOCK SPACER with the mounting holes on the firearm.
- Insert the screws through the slotted holes of the spacer into the mounting holes.
- Tighten the screws securely, but do not overtighten as this may damage the spacer or the firearm.

### 3. Adjusting Length of Pull

- To adjust the length of pull, select the desired taper based on your comfort and shooting style.
- Follow the taper guidelines:
  - Tapers range from  $\frac{1}{4}$ " to  $\frac{1}{16}$ " positive and negative.
  - Ensure the positive taper is thicker at the top or heel to increase pitch.
- Make adjustments as needed and verify the fit before use.

### 4. Final Checks

- After installation, doublecheck that all screws are tight and the spacer is securely attached.
- Perform a function check on your firearm to ensure everything operates correctly.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling the product if applicable, or contact local waste management for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the RIFLE POSITIVE BUTTSTOCK SPACER, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the RIFLE POSITIVE BUTTSTOCK SPACER. Always prioritize safety and adhere to the guidelines provided in this manual. Thank you for your attention, and enjoy your product responsibly.
