RIFLE POSITIVE BUTTSTOCK SPACER Consumer Safety Instructions

Introduction

Thank you for choosing the RIFLE POSITIVE BUTTSTOCK SPACER by 100 STRAIGHT PRODUCTS. This product is designed to enhance your shooting experience by allowing for adjustable stock pitch and length of pull. To ensure safe usage and optimal performance, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow all safety instructions provided with this product.
- Ensure that the product is used in accordance with the manufacturer's specifications.
- Inspect the product before each use for any signs of damage or wear.
- Store the product in a dry place, away from direct sunlight and extreme temperatures.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the buttstock spacer only with compatible firearms.
- Ensure that all adjustments are securely tightened before use.
- Do not exceed the recommended length of pull adjustments.
- Be aware of the potential hazards associated with improper installation or use, including:
 - Instability of the firearm.
 - Increased recoil or misalignment during shooting.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- If you are unsure about the installation or use of this product, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation (if required).
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing buttstock from the firearm.
- Align the buttstock spacer with the mounting holes on the firearm.
- Securely attach the spacer using the provided screws and ensure all connections are tight.
- Adjust the length of pull as desired. The spacer allows for adjustments from $\frac{1}{4}$ " to $\frac{1}{16}$ " positive and negative, and from $\frac{1}{2}$ " to $\frac{1}{8}$ " positive and negative.
- Doublecheck the installation to confirm that everything is secure.

3. Usage:

- Before using the firearm, ensure that the spacer is properly installed and adjusted.
- Test the adjustments to confirm comfort and stability during handling.
- Always follow safe firearm handling practices.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic materials.
- Do not dispose of the product in regular household waste if local laws require special disposal methods.
- Consider recycling the product if possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries related to safety, installation, or product performance, please refer to the manufacturer's contact details as provided on the packaging or the official website. It is essential to have access to support for any questions or concerns regarding your product.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the RIFLE POSITIVE BUTTSTOCK SPACER!
