# Safety Instruction Guide for 100 Straight Dead Mule Recoil Reducer

## Introduction

Thank you for choosing the 100 Straight Dead Mule Recoil Reducer. This product is designed to reduce felt recoil while maintaining the point of impact for a more comfortable shooting experience. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the recoil reducer in accordance with the manufacturer's instructions.
- Ensure that the recoil reducer is compatible with your firearm's buttstock.
- Regularly inspect the recoil reducer for any signs of wear or damage before use.
- Keep the recoil reducer out of reach of children and vulnerable individuals.
- If you experience any issues or have safety concerns, stop using the product immediately and seek assistance.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction or injury.
  - Using the product with incompatible firearms may pose safety risks.
- **Avoiding Hazards:**
  - Carefully follow the installation instructions provided in this guide.
  - Do not modify the recoil reducer in any way.
  - Ensure that the recoil reducer is securely fastened before use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Locate the buttstock of your firearm and identify the stock bolt hole, which should be 7/8" in diameter and 4½" deep.
- Insert the recoil reducer into the stock bolt hole.
- Secure the recoil reducer by tightening the bolt, ensuring it is firmly in place.
- Doublecheck that the recoil reducer is installed correctly and does not wobble.

### 2. Usage:

- Once installed, the recoil reducer is ready for use.
- Test the firearm in a safe environment to confirm that the recoil reducer functions as intended.
- Always wear appropriate safety gear, such as eye and ear protection, when using your firearm.

## Disposal Instructions

- When the recoil reducer has reached the end of its life or is no longer needed, dispose of it in accordance with local regulations.

- Do not dispose of the recoil reducer in regular household waste. Check for local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the 100 Straight Dead Mule Recoil Reducer, please refer to the manufacturer's contact information provided with your product packaging. You may also check the EU's Safety Gate platform for updates on product safety and recalls.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with the 100 Straight Dead Mule Recoil Reducer. Thank you for your attention to these important safety instructions.
