# Safety Instruction Guide for 5MM EXTRA LONG BIT BROWNELLS 5" LONG 5MM HEX BIT

## Introduction

Thank you for choosing the 5MM EXTRA LONG BIT BROWNELLS 5" LONG 5MM HEX BIT. This product is designed for use with 3/8" drive torque wrenches and is made from durable steel to ensure reliability. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is in good condition before use. Inspect for any signs of damage or wear.
- Keep this product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- Report any unsafe conditions or product failures to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The product may cause injury if used improperly or if it is damaged.
- Sharp edges may cause cuts; handle with care.

- **Avoiding Hazards:**

- Do not use the bit with power tools that exceed the recommended torque specifications.
- Ensure that the bit is securely attached to the wrench before use.
- Do not exceed the maximum torque rating of the wrench or the bit.
- Always work in a welllit area to avoid accidents.

- **AgeSpecific Warnings:**

- This product is not intended for use by children.
- Ensure that only trained individuals use the product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the torque wrench is set to the desired torque setting.
- Insert the 5MM hex bit into the 3/8" drive of the torque wrench until it clicks into place.
- Verify that the bit is securely locked in the drive before proceeding.

### 2. Usage:

- Align the bit with the fastener you intend to work on.
- Apply pressure to the wrench handle and turn slowly to engage the fastener.
- Monitor the torque setting as you work, ensuring you do not exceed the specified limits.
- If resistance is felt, stop immediately and assess the situation. Do not force the tool.

## **Disposal Instructions**

- Dispose of the product in accordance with your local regulations.
- If the product is no longer usable, consider recycling it where facilities exist.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the 5MM EXTRA LONG BIT BROWNELLS 5" LONG 5MM HEX BIT, please refer to the manufacturer's contact information provided on the packaging or product insert.

Please ensure that you follow these safety instructions to promote a safe working environment. Thank you for your attention to these guidelines, and enjoy the use of your new product!
