CROWFOOT WRENCH Safety Instruction Guide

Introduction

Thank you for choosing the CROWFOOT WRENCHES BROWNELLS 21MM CROWFOOT WRENCH. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand all instructions before using the wrench.

General Safety Guidelines

- Always use the wrench in a welllit area to avoid accidents.
- Ensure that the wrench is compatible with your torque wrench before use.
- Inspect the wrench for any signs of damage or wear before each use.
- Store the wrench in a dry place to prevent rust and corrosion.
- Keep the wrench out of reach of children and vulnerable individuals.
- Follow all local regulations and guidelines regarding tool usage.

Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications provided by your torque wrench manufacturer.
- Avoid using the wrench on overly tight or rusted bolts to prevent breakage.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the wrench.
- Ensure that your hands are dry and free from oil or grease to maintain a secure grip.
- Do not use the wrench for purposes other than its intended use.

Instructions for Installation and Usage

1. Preparation

- Verify that the wrench is clean and free from any debris.
- Check that your torque wrench is set to the desired torque setting.

2. Attaching the Wrench

- Align the 21mm crowfoot wrench with the fastener.
- Securely attach the wrench to the torque wrench by inserting the drive end into the socket.

3. Using the Wrench

- Apply steady pressure while turning the wrench.
- Keep your hands clear of the wrench's moving parts during use.
- Monitor the torque setting on your torque wrench to avoid overtightening.

4. PostUse Care

- After use, clean the wrench with a dry cloth to remove any dirt or grease.
- Store the wrench in its designated storage case or location.

Disposal Instructions

- Dispose of the wrench in accordance with local regulations regarding metal waste.

- Do not dispose of the wrench in general household waste.
- Consider recycling the wrench if it is no longer usable.

Contact Information for Further Support
