

# 1911 V-SERIES MATCH TRIGGER - GREIDER PRECISION MEDIUM LOP, SOLID

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

## Proven, Videki Design For Match-Winning Performance

Lightweight, competition trigger by Greider Precision minimizes drag and reduces pull weight for extra smooth engagement and faster return. Features the same, proven design that made the Videki Speed Trigger the industry standard. Extra-stiff, high-strength bow is machined using the original Class A, Videki tooling and 400 series stainless steel. Shoe is CNC-machined from top-quality, aluminum billet and left slightly oversize for custom fitting. Stop screw helps eliminate overtravel; grooved face gives excellent control. Three sizes provide the correct length-of-pull (LOP) for most shooters. 3-Hole shoe features three holes to help keep pistol weight to a minimum.

## Attributes

- Name: [GREIDER PRECISION MEDIUM LOP, SOLID](#)
- Manufacturer: [GREIDER PRECISION](#)
- Product no.: 377000003
- Mfr. No.: NONE
- Finish: Silver

# Safety Instruction Guide for 1911 VSERIES MATCH TRIGGER GREIDER PRECISION MEDIUM LOP, SOLID

## Introduction

Thank you for choosing the 1911 VSERIES MATCH TRIGGER by Greider Precision. This guide provides essential safety instructions and guidelines to ensure the safe use of your trigger. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that all safety precautions are observed when handling and using the trigger.
- Always treat firearms as if they are loaded, regardless of their status.
- Keep the trigger and firearm out of reach of children and unauthorized individuals.
- Regularly inspect your trigger for any signs of wear or damage.
- Use the trigger only with compatible firearm models: Government, Commander, and Officers.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the relevant authorities immediately.

## Specific Safety Precautions for Use

- **Avoid Overtravel:** Adjust the stop screw to limit overtravel and prevent accidental discharges.
- **Control Grip:** Ensure a firm grip on the firearm to maintain control during firing.
- **Installation Awareness:** Only install the trigger if you are familiar with firearm modifications. If unsure, consult a professional gunsmith.
- **Shoe Fit:** The shoe is designed to be slightly oversize for custom fitting. Ensure it is properly fitted before use.
- **Pull Weight:** Be aware that the trigger minimizes drag and reduces pull weight, which may affect your firing technique.

## Instructions for Installation and Usage

1. **Preparation:** Ensure that the firearm is unloaded and the safety is engaged before beginning installation.
2. **Remove Existing Trigger:**
  - Disassemble the firearm according to the manufacturer's instructions.
  - Remove the existing trigger carefully.
3. **Install New Trigger:**
  - Align the new trigger shoe with the trigger bow.
  - Insert the new trigger into the trigger housing.
  - Secure the trigger in place according to the firearm's specifications.
4. **Adjustments:**
  - Use the stop screw to adjust overtravel as needed.
  - Ensure the trigger operates smoothly without any binding.
5. **Testing:**
  - Before using the firearm, conduct a function test to ensure the trigger engages and releases correctly.
  - Perform this test in a safe environment, following all firearm safety practices.
6. **Final Assembly:** Reassemble the firearm completely, ensuring all parts are secure and functioning properly.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the trigger is damaged beyond repair, dispose of it in accordance with local hazardous waste regulations.

## **Contact Information for Further Support**

For safety inquiries or assistance with your 1911 VSERIES MATCH TRIGGER, please consult your local firearms dealer or a qualified gunsmith.

Thank you for prioritizing safety while enjoying your shooting experience.
